# AT HOME DAILY HEALTH SCREENING

Broward County Public Schools is committed to the health and safety of our students, our staff and our community. The District has instituted enhanced cleaning schedules, staggered work schedules and continues to reduce the number of people in our facilities to promote physical distancing.

**In order to enter Broward County Public Schools facilities, all students, parents/caregivers, and employees should answer the following self-assessment questions at home each morning prior to coming to school:**

## DAILY HEALTH SELF ASSESSMENT QUESTIONS:

Do you feel warm, have a fever or elevated temperature (100.4), or have the chills?

Do you have a persistent cough, runny nose or sore throat?

Have you recently had a loss of taste or smell?

Has anyone in your household tested positive for COVID-19?

Have you been in close, unprotected contact with anyone who has tested positive for COVID-19?

*(spent longer than 15 minutes within six feet of someone who was sick with a fever and cough or confirmed/suspected of having COVID-19)*

Are you feeling sick or ill today?

Are you awaiting test results for COVID-19?

Have you been told to self-quarantine or self-isolate by a doctor or the Florida Department of Health?

**If your child can answer “NO” to all of these questions, they may proceed to school.**

**If your child answered “YES” to any of these questions, you must contact the school nurse for further guidance.**

## EVALUACIÓN DIARIA DE LA SALUD EN LA CASA

Las Escuelas Públicas del Condado de Broward se comprometen a mantener la salud y la seguridad de los estudiantes, el personal y la comunidad. El Distrito ha establecido medidas de refuerzo en los horarios de limpieza, horarios escalonados de trabajo y ha continuado reduciendo el número de personal de sus instalaciones para promover el distanciamiento físico.

**Para ingresar a las instalaciones de las Escuelas Públicas del Condado de Broward, todos los estudiantes, padres/cuidadores y empleados deben responder el siguiente cuestionario de autoevaluación en la casa todas las mañanas antes de ir a la escuela:**

### CUESTIONARIO DIARIO DE AUTOEVALUACIÓN DE LA SALUD:

¿Te sientes caliente, tienes fiebre o temperatura alta (100.4 °F/38 °C) o escalofríos?

¿Tienes tos persistente, goteo nasal o dolor de garganta?

¿Has perdido últimamente el gusto o el olfato?

¿Alguien en tu casa ha dado positivo por el virus de la COVID-19?

¿Has estado en contacto cercano y sin protección con alguien que ha dado positivo por el virus de la COVID-19?

*(estuviste más de 15 minutos a menos de seis pies (o dos metros) de distancia de alguien que estaba con fiebre y tos o con un caso confirmado/presunto de COVID-19).*

¿Te sientes indispuesto(a) o enfermo(a) el día de hoy?

¿Estás en espera de los resultados de la prueba de COVID-19?

¿Te ha informado un doctor o el Departamento de Salud de la Florida que te pongas en cuarentena o te aísles?

**Si su hijo(a) respondió "NO" a todas estas preguntas, puede dirigirse a la escuela.**

Si respondió "SÍ" a alguna de estas preguntas, no vayas a la escuela o al trabajo. Estudiantes: contacte la enfermera de su escuela. Personal: complete el formulario de notificación de virus del distrito en línea.

*Student Arrival and Dismissal Procedures*  
**School Times: 8:00 a.m. to 2:00 p.m. First Bell - 7:50 a.m.**

**STUDENTS ARE NOT PERMITTED ON CAMPUS BEFORE 7:30 A.M.**

**ATTENTION PARENTS:**

This is an important safety alert for our parents. Please remember that students should not be dropped off or arrive at school prior to 7:30 a.m. This is a safety concern as there is no supervision prior to 7:30 a.m. **Please do not stop and drop off or pick up your children on 172<sup>nd</sup> Avenue or 9<sup>th</sup> Street. Also, please do not block the crosswalks while waiting in the car line. Dropping off or picking up your child while stopped on 172<sup>nd</sup> Avenue or 9<sup>th</sup> Street is extremely dangerous for the children, parents and other drivers.** Please follow all traffic laws and drive to the appropriate area of the school parking lot to drop off or pick up your children. All CAR RIDERS should be dropped off for school and picked up in the EAST parking lot. The WEST Parking lot is for District school buses, private transportation vehicles, staff members and A-Team students only. **When dropping off or picking up in the car line, please pull all the way forward until all cars stop before you allow your child to exit or enter the vehicle.** Once all cars have stopped, students may exit or enter the vehicle under the covered walkway. Also, always follow the sidewalks around to pick up your child. Do NOT cut through the car line. This is for your safety and the safety of people traveling in vehicles on the road. Remember, we are all role models for the children and they learn the rules of the road from us. Thank you for your cooperation in keeping everyone at Panther Run Elementary School Safe.

**BUSES ONLY DROP OFF AREA**

The front driveway on the west side of the school facing 172<sup>nd</sup> Avenue has been designated by the Broward County School's Safety Department and the Traffic Department **for school bus and day care van student drop off ONLY.** Parents are **NOT** to drop off children in the middle of the parking lot. If you must come into the school for some reason you are to park and walk your child in. These rules are enforced to protect every child's safety.

**PARENT DROP OFF & PICK UP**

**The east side of the school has been designated for parent drop off and pick up of students. Students enter the building through the PE Entrance door.** Please follow the signs and stay all the way to the right, next to the curb. Please write your child's name and grade level boldly on a big white placard and place it on the right side of your dash. This assists us in getting the children loaded quickly. Trained staff will announce students' names and open the car doors and load the students into their car as quickly and safely as possible. **Parents are not to get out of their cars or park in this area.** This is a continuous flow of traffic line. Staff will be available to load and unload students. **Remember to be patient and courteous.** We all share the same goal of having every child arrive safely to school. Allow plenty of time to drop off and pick up your child. **Car pools are highly recommended,** as well as walking and biking. **School personnel are assigned to all student areas to supervise students both before school and during dismissal.** Please respect their dedication and hard work in moving the traffic along as quickly as possible. Being rude and using inappropriate language is a very poor example for your child. Please stay in your car. Please do not get out and wave for your child to come to you. This is extremely dangerous! With your help and cooperation in following the above procedures we can ensure the safety of all children at Panther Run Elementary School. Thank you!

**WALKERS/BIKE RIDERS**

For arrival and dismissal, students who walk or bike to school and live on the EAST side of campus (Pembroke Isles Community) will need to use the walker gate by the bike rack at the back of the school. Students will need to walk all the way around the perimeter of the east parking lot on the sidewalk. Students are not to cross the car line!

For arrival, students who walk or bike to school and live on the WEST side of campus (front of the school) will cross 172<sup>nd</sup> Ave. at the crossing guard and enter the building through the main entrance of the school. Bike riders will use the bike rack in the front (West side) of the school and enter the building through the main entrance. At dismissal, students who walk or bike to school who live on the West side of campus will exit through the flag pole gate, walk along the front of the school past the bike rack and along 172<sup>nd</sup> Ave. to cross at the crossing guard.

Parents who would like to meet their walkers/bike riders should meet their children at either the flag pole gate (if they live on the West side of the school) or at the back walker gate if they live on the East side of the school (Pembroke Isles Community). A staff member will be available at the gate if you have any questions.

## Technology Support

If you need tech help or you have device issues, please contact the District Tech Center at 754-321-0569. If you have questions or concerns, please call the school's main number, 754-323-6850 Monday through Friday from 8:30 a.m. to 1:30 p.m.

Remember, students need to either shutdown or restart the school laptops or personal devices daily. The district is constantly sending out agents to clean viruses and updates. Students must log out daily and sign in each day through SSO to show as in attendance.

## News From The Food & Nutrition Services Department

**SCHOOL LUNCH-WHAT A BARGAIN:** Thanks to federal, state and local partnerships, Food and Nutrition Services are able to offer variety and well-balanced nutritious meals for no cost to parents at this time. The National School Lunch Program provides the student the opportunity of selecting a lunch consisting of 5 meal components (Meat/Meat Alternate, Milk, Grain, 2 fruit or vegetables). The student may choose 3, 4, or 5 components for the same price. A student may refuse 1 or 2 of the meal components. The idea of "3 are good, 4 are better and 5 are best" is promoted to assure the greatest variety and nutrient intake. This is our government's way to assure that its financial support pays for only those meals that meet defined federal standards. School lunch meals provide an assortment of foods including entrée salads and fresh fruit daily. For students who prefer to bring a bag lunch, either low fat white, strawberry or chocolate milk, or water are available for \$.50 per carton. Wednesdays are "Ice Cream Day." Ice cream costs \$.65. **A LA CARTE FOOD:** If a student does not select 3 of the 5 components offered as a meal, then the meal does not qualify for federal reimbursement and the student must pay ala carte prices. Students are charged a la carte prices for additional portions and for specialty items. Because of the government's support, choosing the school lunch meal is a real bargain.

**Free and Reduced Price Meals:** Students will bring home a Free and Reduced Price Meal application the first week of school. The United States Department of Agriculture provides free or reduced price meal to children whose families meet income requirements. This helps assure that all children have access to nutritious food during the school day. Children need proper nutrition to grow, be healthy and learn. Last year, over 110,000 students Broward County students took advantage of this great program. Only one application is necessary per household. Information is secure and confidential. Non-citizens and non-residents may apply for benefits. Please contact your child's school or the District Meal Benefits Department at 754-321-0250 if you have questions. **Complete a Free and Reduced Price Meal Application Today.** If you have any questions, please call the Food and Nutrition Services office at 754-321-0215.
