## **Research on Summer Reading**

Children who **DO NOT READ** in the summer can **lose two to three months** of reading skills.

Kids who **DO READ** tend to **gain a month** of reading proficiency.

## **Summer learning traditions**

Your child has spent the entire school year learning new things. Help him hang onto that knowledge, and learn even more, by starting summer traditions like these.

### ***STEM Olympics***

Boost your youngster's STEM skills with a series of household engineering competitions. For the first contest, each person could build a catapult with craft sticks and rubber bands. See whose catapult can launch a ball the farthest. Next, maybe family members will compete to engineer a boat that carries the most pennies without sinking.

### ***Family celebrations***

Have your child use math to plan special events, such as an Independence Day cookout. Give him a budget, and let him look through grocery and dollar store flyers for the best prices on ingredients and supplies. He should list items and prices, and add up the total. Next, perhaps he'll host a National Ice Cream Day party on July 21 or a back-to-school celebration the last weekend of summer break.

### ***Reading pals***

For a fun way to stay in touch—and practice reading—help your youngster find a relative to be his reading pal. Maybe he and his grandfather will take turns reading chapters of a novel via video chat. Or record a video of your youngster reading a book to send to a younger cousin. The little one can do the same to show her big cousin how she's learning to read.

## **Short Notes**

***Being neighborly.*** Show your child how neighbors can depend on each other. If a package is delivered on a rainy day and the family isn't home, she could write a note saying she's holding it for them. Or if someone leaves headlights on, knock on their door together to let the person know.

***Everyday research.*** Sharpen your youngster's research skills by challenging him to use them for practical purposes. Say he wants a pet or wonders why he needs to go to bed on time. Ask him to look into what being a pet owner would require or how sleep affects kids.

Dear Families,

Helping your child retain learning over summer vacation is important. i-Ready can help! Your child can work on i-Ready in Math and Reading from any computer or iPad (iOS 11 or higher) with internet access. See iPad directions on the back. Directions and tips are below:

- Students will continue to gain access through their District Portal.

- Website: [sso.browardschools.com](https://sso.browardschools.com)
- Select "Log in with Active Directory"

Username: your ten-digit student number (06 \_\_\_\_\_)

Password: Capital P and the student's birthday (Pmm/dd/yyyy)

Select the i-Ready icon

i-Ready

- Students will then select the subject using either button:

- i-Ready will be available until **July 31**, after this date the system will not be available until the following school year starts.
- You can help support your child's learning by:
  - **Asking questions** about each i-Ready lesson:
    - What is one thing you learned in your lesson?
    - What was one thing you thought was difficult?
  - **Checking** student progress by clicking on the "My Progress" tab

**Ask questions about "My Progress"**

- What do you notice when you look at this data?
- What is something you feel you are doing really well?
- What areas are challenging you?

- Fill out the **lesson log** attached to this document each time your child completes a lesson.
  - We recommend **1 math** lesson and **1 reading** lesson per week.
- **HAVE FUN!**

For technical support:

[i-readysupport@cainc.com](mailto:i-readysupport@cainc.com) phone: 800-225-0248 Mon–Thurs 8:30 a.m.–7:00 p.m., Fri 8:30 a.m.–5:00 p.m.

## Using i-Ready on an iPad

1. Download the “i-Ready for Students” application from the App Store.

2. Download the Clever application from the App Store.

3. Clever may ask you to search for the Broward School District or the name will automatically appear.

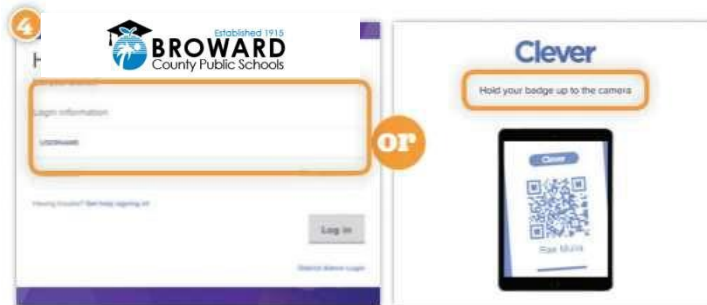

4. On the following page, you will have the option to log in using your ten-digit ID number, or with a Clever badge, if your school has made that available to you.

a. If using a username and password, you will be prompted to type it in.

- Username: your ten-digit student number (06\_\_\_\_\_)
- Password: Capital P and the student’s birthday (Pmm/dd/yyyy)

b. If using a Clever badge, you will be prompted to scan the badge via your iPad’s camera.

5. Once you are logged in to the portal, click the i-Ready icon.

6. You may see the message, “Open this page in i-Ready?” Click “Open.” The i-Ready for Students application will open and your child should be able to use i-Ready.

# Access to Textbooks, Instructional Materials, and Resources

Canvas provides a means for teachers to continue to communicate with students by providing written, recorded, and even live instruction. The best way to continue the learning process for your child is to ensure each child can login to their Single Sign On [SSO LaunchPad](#) to gain access to core instructional materials, supplemental educational programs, and their teacher's Canvas courses. For additional learning opportunities in the core classes, review the list of resources below.

General Parent Resources (All Grade Levels)	
<b>Learning Never Closes</b>	<a href="http://browardschools.com/learningnevercloses">http://browardschools.com/learningnevercloses</a> Broward County Public Schools (BCPS) is committed to supporting students and families in making sure that learning never closes. When the school buildings are closed for any reason (vacation, weekends, or even unexpected closures), BCPS encourages families and caregivers to have students engage in academic activities. Resources for students with disabilities are embedded within the Learning Never Closes link.
<b>Canvas Parent Course</b>	<a href="http://browardschools.instructure.com/courses/411">http://browardschools.instructure.com/courses/411</a> This online Parent Information Hub is designed to provide parents with information about BCPS's digital initiatives, specifically the Newsela, Discovery Education, and Microsoft products. Parents can access information about both the student and parent Canvas apps.
<b>Accessing your Child's Documents (IEP, EP, PSSP)</b>	Parent(s) or Guardian(s) who have given your school(s) the necessary email and or cell phone will receive an email from EDPlan Connect with a link to access these documents. Should you not receive the email, please contact us via <a href="mailto:edplanconnect@browardschools.com">edplanconnect@browardschools.com</a> and provide your child's name, student number, your email and a cell phone number. We will then send you the link.
