

### **Important Resources for Students and Parents:**

The MCA School Counseling Resources Canvas Course is an essential tool for all students to receive information on how to best transition from in-school learning to online learning including time management, managing stress, and other socio-emotional learning support. This course also provides information on Brace, Naviance and Mental Health Services provided by Broward County Public Schools.

The MCA School Counseling Resource Course can be found at <https://browardschools.instructure.com/courses/867903>
