

Vision, Mission and Core Values

Millennium 6-12 Collegiate Academy's Vision

Our vision statement vividly describes our ideal student outcomes.

Educating students to be college and career-ready, socially conscious, and productive citizens in their community.

Millennium 6-12 Collegiate Academy's Mission

Our mission statement defines our purpose—why we exist and what we do to achieve our vision. It provides direction and focus and helps guide all goals and decisions.

Providing all students with high-quality, rigorous, and engaging instruction that is relevant and authentic.

Millennium 6-12 Collegiate Academy's Core Values

Our Core Values align with Broward County Public Schools' Strategic Plan and Core Values. The Core Values consist of five short phrases comprising the "STARS" acronym.

Student Focus

Teaching Excellence

Accountability
