

## **Summer Optional Assignment for 6<sup>th</sup> grade Extra Credit**

### **Seven Wonders of the World Travel Brochure Project**

You will be researching the Seven Wonders of the World and create a travel brochure focusing on these details:

Where is it located?

Why is it a wonder?

How long has it been there? (When was it built?)

Who built it?

Why was it built?

What was/is its function?

Any other information you find interesting or important.

Include hand-drawn pictures or computer-generated pictures of the Seven Wonders.

Suggestion: Create a brochure that has four columns on the front and back. The front should include a title column with the full student name and three additional columns, each presenting the information about one of the Seven Wonders. The back should have four columns, each presenting information about one of the Seven Wonders.
