

# SOUTH BROWARD HIGH SCHOOL

## Internet Resource Guide

### Broward SSO/Clever

---

Broward Single Sign On (SSO) is your one-stop access to most of the website applications students use to accomplish their educational needs. After signing into Broward SSO, you'll have access to many of our website applications without having to sign in again. It's Broward's one-stop access to most of the website applications students use (Focus, Online Textbook, Canvas, etc.)

<http://browardschools.com/sso>

Username: Student ten-digit 06 number  
*Example: 0600000000*

First-time Password: P and student's birthdate  
*Example: PMM/DD/YYYY (including the slashes)*

*Students MUST update their password upon logging in for the first time! Otherwise, they may be locked out and require additional assistance from IT.*

### BCPS Mobile App

---

The BCPS Mobile App allows parents and families to stay connected in real-time with information on their child's academic performance, lunch account balances, bus pick-up and drop-off times, and so much more. See your child's personalized information through your smart device anytime, anywhere. For information, visit: [www.browardschools.com/mobileapp](http://www.browardschools.com/mobileapp)

### Canvas

---

Canvas is a Learning Management System that helps simplify teaching and learning by bringing together all the digital tools teachers use in one place. It allows students and parents to access class information and actively engage in student education. You can use Broward SSO to access Canvas, and there's also a Canvas Parent App available—just contact your child's school counselor for more information.

### FOCUS

---

This Broward County Public Schools (BCPS) online resource, Focus School Software (FOCUS), provides real-time information regarding student grades, attendance, and so much more. It allows parents to set up alerts related to both grades and attendance. FOCUS also includes communication information for students' teachers. Additionally, FOCUS provides academic information to help students and parents plan better while the student is in school, including graduation status information, standardized test scores, and more. **You can access Focus through Broward SSO.**
