WELCOME FROM OUR PRINCIPAL

Ms. Marie Hautigan

Get ready for the best Bengal year ever!

On behalf of the Bengal administration, faculty and staff, I want to welcome all my Bengal Scholars and Bengal families to the start of another great school year. There have been so many campus renovations and improvements over the past year. When you arrive, you'll notice some new and exciting wall wraps and graphics, upgraded classroom facilities and technology, a brand new media center, and many other enhancements. Our new STEM rooms and culinary arts center are scheduled to open soon.

Starting on day one of semester one, you should focus on academics and look for opportunities to enhance your high school experience. I want to encourage all my Bengal Scholars – from 9th through 12th grades – to join a club and/or athletic program this year. We want you to connect with your community, meet new friends, and explore fun and exciting opportunities.

I will be here to work with all of you and I look forward to meeting my new Bengal Scholars and their families. It's going to be a the BEST Bengal year ever, and I am so happy that each and every one of you will be a part of it.

Warmest regards,
Ms. Hautigan
