

# MARGATE ELEMENTARY

## ARRIVAL & DISMISSAL PROCEDURES:

*First, as a reminder, per Broward County Schoolboard policy, all students must wear a mask when they are indoors on campus.*

### **FOR ARRIVAL, here is the gate information:**

- GATE 1 (all the way down by the flagpole) is where to drop off our youngest students for our Specialized and Intensive PreK classes.
- GATE 2 is where all 2nd, 3rd, 4th, and 5th graders enter the campus.
- GATE 5 is where VPK, kindergarten, and 1st grade students enter the campus.

Once you enter the car loop, pull up as far as you can, and as soon as you are fully stopped, please let your child out of the car. One of our many staff members will escort your child to the correct entry gate.

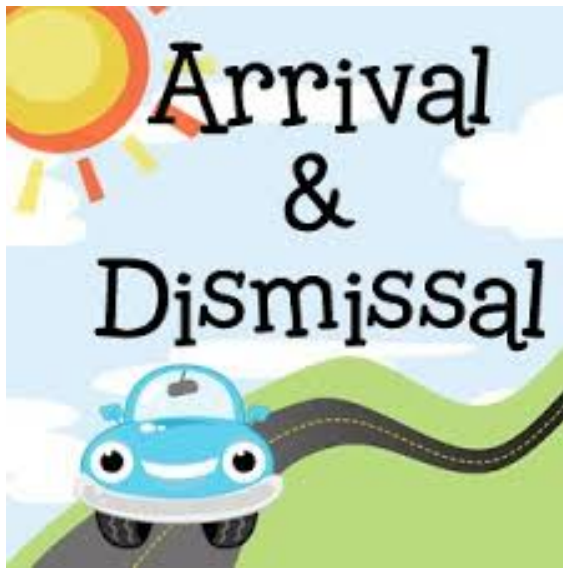

### **FOR DISMISSAL, here is some important information:**

**If your child is a CAR RIDER, that means you – the parent – stay in the car.** We know there is a wait, but be patient, and every day it will get better. Have your child's name on the dismissal sign clearly posted in your windshield; and again, please be patient. We will escort your child to you in your car.

**If you park off campus and WALK UP to PICK UP your child, then your child is a WALK UP - PICK UP student.**

- Parents of VPK, kindergarten, and first grade WALK UP - PICK UP students, are to wait at GATE 5 to pick up your children.
- Parents of 2nd and 3rd grade WALK UP - PICK UP students, are to wait at GATE 4, under the tree, to pick up your children.
- Parents of 4th and 5th grade WALK UP - PICK UP students, are to wait at GATE 3, to pick up your children.
- If you have children in multiple grade levels, you should meet at the gate for your youngest child's grade level.

**THINGS WILL IMPROVE AND GET FASTER EVERY DAY** as everyone learns the arrival and dismissal procedures. Thank you all for your patience.
