SCHOOL**

Dear Margate Friends and Family,

Happy New Year! We hope that everyone had a blessed and joyous holiday season. We are excited about a new year and pray for countless blessings for all of Margate family in 2022.

Our panthers will be finalizing their second I-Ready diagnostic. This assessment will provide us with valuable information to help assist our panthers in creating a specific academic plan for the remainder of the year. We are thrilled that our after school tutorials have started and that many of panthers will be receiving additional support in either reading and/or mathematics.

We truly need everyone's help in having your children read every night for 30 minutes and to practice their math facts. As always, your child's health and safety are our top concern. We continually deep clean our facility and have two amazing nurses of staff. Together, we will make our school a success!

With love and gratitude to the world's best community!
