School Advisory Forum (SAC)

The School Advisory Council shall be the sole body responsible for final decision-making at the school relating to implementation of ss.1001.42(18) and 1008.345.U The SAC is composed of parents, teachers, community members, school administrators, non-instructional support staff, and other stakeholders who meet regularly to establish priorities, set annual objectives, and monitor action steps for school improvement.

What do we do?

SAC members gather to discuss the school's academic plan and progress. They discuss the School Improvement Plan - a plan made of goals and objectives established for the school determined by needs. The purpose of the School Improvement Plan is to increase student performance. The SAC committee assists the school principal with budget and recommendation on how school monies are spent or allocated.

School Improvement Plan (SIP)

A School Improvement Plan (SIP) containing specific objectives and action steps for achieving Florida's educational goals is required by Florida. The SAC has the primary responsibility for monitoring implementation of the annual SIP. The SIP must be approved by the School Board

School Advisory Forum (SAF)

School Board policy requires that each school have a School Advisory Forum (SAF) composed of parents, teachers, community members, school administrators, non-instructional support staff, and other stakeholders. The SAF provides an opportunity for stakeholders to discuss and recommend actions on a variety of school issues. The School Advisory Forum (SAF) shall foster and promote communication between its stakeholders, the school, and the Area Advisory Council. The SAF shall bring forth recommendations, concerns and interests to and from their Area Advisory Council. Every school has an advisory forum which acts as a proactive group which addresses various educational issues. Their ideas and concerns are forwarded to both area and district advisories which meet regularly with key staff and the Superintendent. Advisories do outstanding work on behalf of kids. If you wish to join this group, call us for more information.

What do we do?

The School Advisory Forum (SAF) is open to all members of the school and community. The Forum has one member to report to the School Advisory Council, which then sends a representative to the

district SAC. The district SAC acts as advisors, mentors, and advocates to both the district and to each school advisory council. At a School Advisory Forum all present will:

- Plan, develop, and implement parent/community programs and training activities.
- Address parent/community concerns; work with administration to solve problems and initiate desired changes.
- Identify and coordinates the use of community resources to improve student achievement and school effectiveness.
- Participate in increasing/sustaining high levels of community support for the school.
- Assist SAC in identifying the educational needs and priorities of the school.
- Remain current with school, district, state, and national issues.
- Jointly works with School Board Members, Superintendent, and local Government officials.
- Facilities, Safety, Legislative, ESE, ESOL, Boundaries, Curriculum, Dress code, and Transportation are all issues addressed by SAF.
