## CAMBRIDGE LOWER SECONDARY

### A GUIDE FOR PARENTS

Cambridge International prepares students for life, helping them develop an informed curiosity and a lasting passion for learning. We are part of the University of Cambridge. Cambridge Lower Secondary is typically for learners aged 11 to 14 years. It helps prepare students for the next step of their education, providing a clear path as they progress through the Cambridge Pathway. Your child's needs as a learner are at the heart of our approach to education. Our Cambridge Pathway aims to give your child a love of learning that will stay with them through school, university and beyond. Our approach helps to develop learners who are:

- **Confident** in working with information and ideas – their own and others
- **Responsible** for themselves, responsive to and respectful of others
- **Reflective** and developing their ability to learn
- **Innovative** and equipped for new and future challenges
- **Engaged** intellectually and socially, ready to make a difference.
