This letter is being sent regarding the Pinnacle Parent Viewer. The Pinnacle program is not open to elementary parents because it doesn't have an option to limit access to students in grades 3-5 only. Pinnacle uses letter grades and K-2nd grade uses a numerical grading system, which is not supported by Pinnacle. Therefore, parents of students in grades 3-5, please use the Broward County Public Schools (BCPS) mobile app to see your child's grades. Each weekend the marking period grades are pulled from Pinnacle, which refreshes the grades in the mobile app.

Please check the Pinnacle page on www.browardschools.com regarding the download of the mobile app. These are a few of the screenshots of what the BCPS app looks like, and what the grades page looks like once you log into the Sign-on app located within the BCPS app.

Thank you very much. Please feel free to call the school at (754) 322-7150 with any questions.

If you are the parent of a child in grades 3-5, please use the BCPS Mobile App to view the current average grade your child has earned in each class. This grade will be updated weekly throughout the school year. If you are a parent of a student in grades 6-12 and would like to access the Pinnacle Student Explorer, please go to: [Pinnacle](#)
