August 19, 2020

Dear Parents, Students, Partners, and Community Members,

I am extremely excited to welcome you to the start of the 2020-2021 school year. As we are beginning a new school year during the COVID-19 pandemic, Morrow Elementary and our district continues to keep safety as the top priority. Now is the time to deliver the best virtual educational experience to our Morrow Patriot Scholars!

During the last quarter of the 2019-20 school year, our teachers and staff were challenged with shifting from the traditional classroom models into a virtual distance learning model. With very little time to train and prepare, our teachers are to be celebrated for their dedication, long hours and hard work towards the effort in providing your child with quality education. As we continue this journey together, we will continue to love, guide, and educate our youth on their path towards college and career readiness.

I would also like to extend love and appreciation to all of our families for their continued support as your roles have been an integral part in your child's transition into online learning. Thank you for your understanding with technical challenges and assisting with the learning of online tools and resources. During this time, our students have observed families and schools work together more than ever. As we know this school year will begin and look a little different than what we are used to, Morrow is fully committed to providing the support to meet the needs of our students.

As always, communication between school, families and our community is vital to our success. We encourage everyone to bookmark our website for Morrow Elementary at <http://www.browardschools.com/morrow> and follow our Twitter page @MorrowElem. Please feel free to call me at 754-322-7150 or email me at jamie.ferguson@browardschools.com with any questions or concerns. I am looking forward to a great year!

Sincerely,

Jamie Ferguson, Assistant Principal

Morrow Elementary
