

## **Summer Work for AP-Physics**

Go to the link [ilectureonline.com](http://ilectureonline.com). Select Physics

### **For AP-Physics 1:**

- 1-Go to the topic Mechanics
- 2- For each one of the 10 first Chapters watch all the Lectures for that Chapters.
- 3- Make notes about what Prof. von Biesen is teaching and, for each lecture, create and solve your own problems, similar to the ones Prof. von Biesen
- 4- Have a notebook where you will solve your problems

### **For AP-Physics 2:**

- 1- Go to the topic Electricity and Magnetism
- 2,3,4- Same as above

Recommended:

You can also check the other topics presented by Prof. von Biesen

For AP-Physics 1: Waves and Sound

For AP-Physics 2: Thermodynamics, Fluids, Optics and Modern Physics
