Get back! Get ready!
Reconnect!

Summer School Parent Orientation

Oakland Park Elementary

June 2, 2021

Summer Experience

The summer experience is open to all students in grades K-12 and takes place **Monday, June 21 – Thursday, July 29**. The program is intended to help students get back on track academically, get ready for the next school year, and reconnect with their friends and teachers.

Classes will be held at participating sites Monday through Thursday, for four hours per day from 9:30-1:30 pm at Wilton Manors Elementary. Face-to-face instruction will be provided by BCPS-certified teachers. Breakfast and lunch will also be provided, and transportation is available for qualifying students.

Students will participate in instruction and accompanying integration activities over the span of six weeks. Students will be immersed in standards-based content in Reading, Writing, Mathematics, Science, and Social Studies and engage in high-quality STEM and Arts/Music/Debate project-based learning experiences. Social-Emotional Learning will be integrated throughout the day.

Dates: June 21-July 29

Times: 9:30-1:30 pm

Documents: Please ensure that you sign a printed copy of the Emergency Contact form. Emergency Contact form are to be turned in to the home school by June 8. **Failure to return the Emergency Contact Form by the June 8 deadline may result in your child being placed at an alternative summer site or on a waiting list.** The appropriate links to the form in the language of preference will be available on the school's website.

Transportation

1. Students will be provided transportation to and from Summer School.

2. Transportation information can be found on the Student's Virtual Counselor page the week of June 14, 2021. The District will notify parents of this information via ParentLink.

Reclaim
and Elevate

This initiative is for select Grades 3- 5 students currently enrolled in one of the district's targeted 33 traditional Broward County Public Schools (BCPS) who have not been identified to participate in the Summer Reading Academy – Grade 3 Retained program.

These students must currently be making adequate progress or have fallen behind and need the summer learning experience to remediate their learning loss due to the challenges related to COVID-19 or other extenuating circumstances, i.e. remote learning experience, missed instruction, etc.

During this seven-week experience, students will participate in a blend of remote instruction for the first three weeks and then face-to-face instruction for the remaining four weeks. During the face-to-face instruction, students will participate in high-quality instruction in Literacy with an emphasis in phonics instruction, Math, Science, Social Emotional Learning (SEL), accompanied with engagement activities such as Arts/Music/Debate/Chess to address the unique needs and interest of our students. **Teachers will differentiate students during the instructional block by focusing on direct and small group instruction across the content areas to address and mitigate instructional gaps.**

Phase I June 14th - July 1st

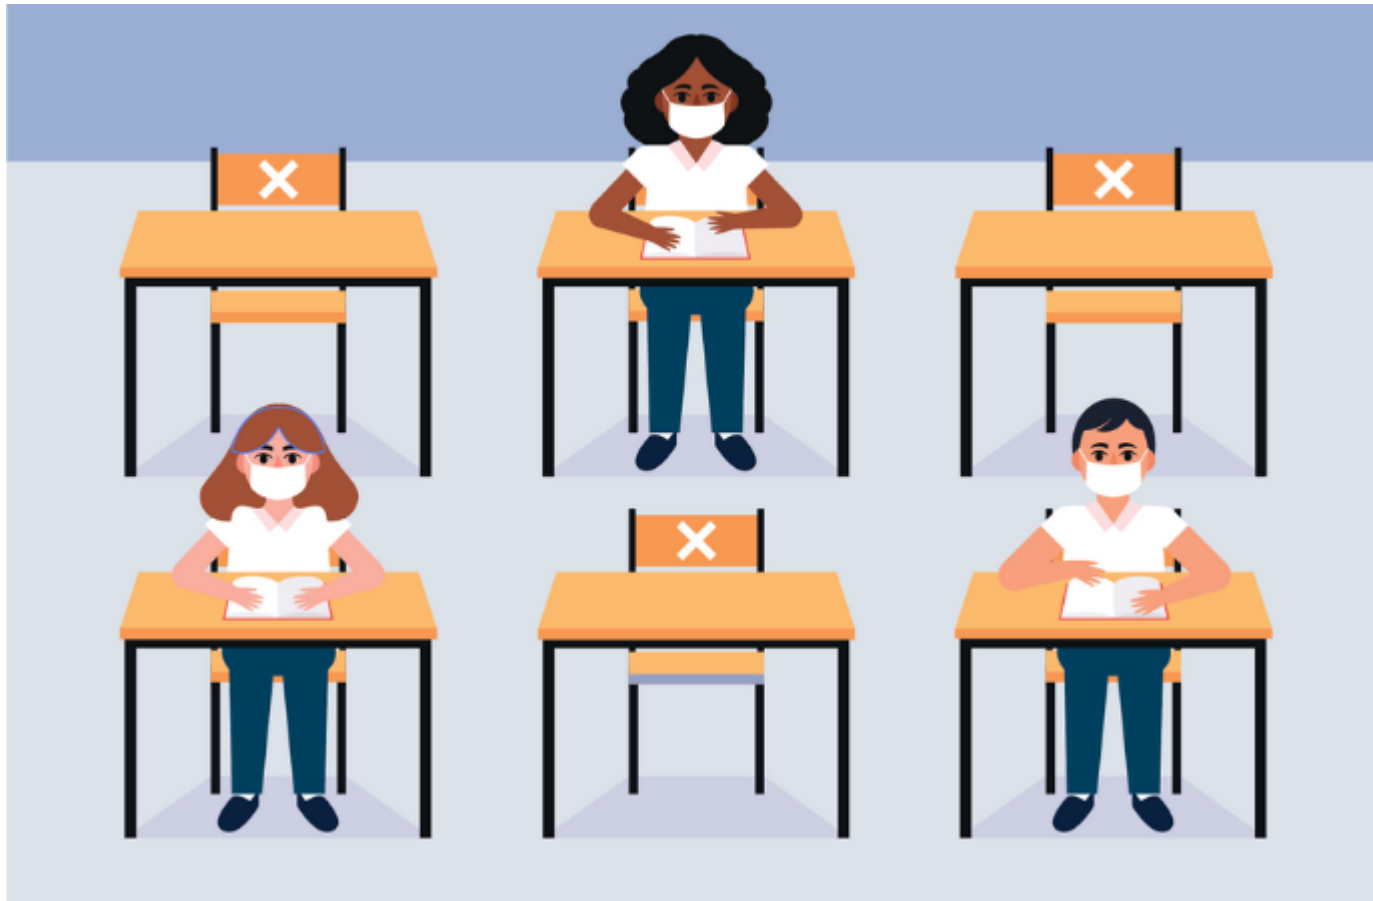

Virtually at home, students will work independently on I-Ready Reading and Math. Students must complete 2 lessons in reading and math with a 70% pass rate.
