

**Pompano Beach High School**  
**2021 Summer Reading**  
**11<sup>th</sup> Grade**

Rediscover the love of reading. Think back to when you were younger and read what you chose. Remember elementary school book fairs when you chose your books? That's what you'll do this summer. Talk to adults in your lives, and ask them for book recommendations. Look around the house for books on the shelves. It could be fiction or non-fiction. Think about topics you like, and do an internet search for books about that topic. It should be for your age level, so no *Captain Underpants*. And don't pick anything you've read before. Open your mind. Think between 200-300 pages. If it's a topic you like, that won't be a lot.

This is school, so of course, when you return, you will be assigned a paper to write and turn in to Canvas.
