

### **Cougar Athletics Safety Protocol**

All students will enter through North Side of Gymnasium.

All students must be dressed to participate. There will be no Locker Room access at any point.

No volunteers or parents are allowed.

Students will complete QR Code before entering gym or Microsoft Forms.

Student will then enter gymnasium one at a time, where they will meet with a coach.

The coach will administer each student a pulsar and temp check.

Any student with a temperature above a temperature of 100 degrees will be sent home.

Students must also have a pulse rate <100 and Oxygen Saturation > 92. They will not be allowed to participate if they do register either of the scores.

Coaches will record each student's scores daily. Scores must be turned into AD Weekly.

Coach will report any student to their grade level administrator that is sent home so that school can begin Covid Protocols.

If student is cleared, student will exit out South Side Gym doors and exit West Bus Loop.

A coach will be waiting for them. Boys will be on east side of the field and Girls on the West Side.

Masks must always be worn unless student is actively participating.

Students must bring their own water bottles and no sharing is allowed.

Coaches are to encourage frequent hand sanitization.

Students will use restroom by Chorus Room if needed. Only one student at a time.

Coaches will enforce six foot social distance guidelines at all times with the exception of when students are on the field.

Coach will make sure that all players will completely exit campus before leaving.

Twelve Players maximum per team and no managers are allowed.

If any player tests positive, the entire team and coach must quarantine for 2 weeks.

A determination on fans will be made when we get closer to games.
