SAC Meeting 5:00pm-5:30pm

Curriculum Night 5:30pm-7:30pm

November 7th-November 11th

What's happening

On Campus!

Reading Corner

October was a very busy month for us here at Park Lakes Elementary. We were happy to celebrate the Alphabet Parade with the kindergarten students. These students shined brightly as they proudly pranced around the school. This month we also celebrated dads with Donuts for Dad. Dads were showered with sweet treats for being an integral part of their child's education. Additionally, students enjoyed Hispanic Heritage Month with a parade and a live mariachi band. Thank you to all the staff, students, and parents for making all these activities a great success.

As we go into November, we want to take time to thank our wonderful staff here at Park Lakes Elementary. We are truly grateful to have them as part of the PLE family. We are looking forward to our staff's Thanksgiving Luncheon on November 16, 2022.

Math Olympians

Math night was a success! Students practiced their mathematic skills through fun games with their parents and teachers!

Trunk or Treat

Students attended Park Lakes' annual Trunk or Treat. Staff decorated their trunks and students dressed up to go trick or treating in the parking lot!

Science

Students in 3rd grade participated in a "moon phases" activity, 1st grade had fun with magnets and Kindergarten practiced measuring mass.

Partner's Breakfast

Friday, September 30th, Park Lakes Staff and Community Leaders met for our annual Partner's Breakfast. The activities, events, field trips, and supplies that we provide are because of these wonderful partnerships. Thank you to all who attended!

Read for the Record

Thursday, October 27th, Park Lakes Elementary School Participated in Jumpstart's Read for the Record. This program is a national campaign to bring young children together with valued grownups in their lives to read the same book, on the same day, in communities all over the world. Members of the community gathered to read *Nigel and the Moon* to our students.
