Project Number: 06B-2447B-7CCC8

Program Name: **BROWARD COUNTY SCHOOL DISTRICT-PARKWAY-
BROWARD ESTATES**

Reason(s) for the change:

During summer 2015 the average daily attendance for students at Broward Estates was below 50%. As we know summer vacation is a critical time of year for students to remain academically stimulated. The Broward Estates community has struggled with student recruitment and retention, along with parent involvement. At a recent parent meeting, parents made mention if summer programming was at least until 4:00 pm it would be more beneficial to working parents in the community. Therefore, Broward Estates is requesting to extend their summer program hours from 8:00 am to 12:00 pm to 8:00 am to 4:00 pm with no additional 21st CCLC funds. Fridays are not scheduled at any Broward County School District site during summer programming. Project Abstract has been changed to show new summer operations for Broward Estates and adjusted student numbers at both sites based on reported attendance in 2015-2016.

Student numbers were adjusted based on average daily attendance at both sites a well.
