

Creating Tier 1 Strategies/Activities (BASIS)

For struggling students, document your Tier 1 strategies and activities by creating a Tier 1 record for the individual student in BASIS.

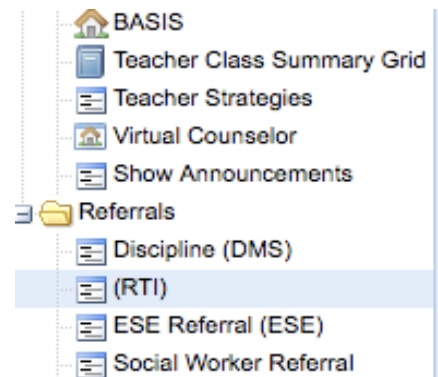

TEACHER STRATEGY/ACTIVITY SUMMARY

Enter information in the white boxes to filter the list of strategies/activities. Click on the number to view or change the Tier 1 Teacher Strategies. Click on the column heading to sort.

Create A Tier 1 Teacher Academic Strategy/Activity

Create A Tier 1 Teacher Behavior Strategy/Activity

If Tier 1 effort(s) are not successful, then follow up by creating a RtI referral to your school's CPS team to decide if Tier 2 interventions will be appropriate for the student.
