Rules:

1. **AMERICANS WITH DISABILITIES ACT AMENDMENTS ACT OF 2008 (ADAAA).**

Necessary measures shall be taken to comply with the provisions of the ADAAA. The ADAAA provides that no qualified individual with a disability shall by reason of such disability, be excluded from participation in or be denied the benefits of services, programs, or activities, or be subjected to discrimination, harassment, intimidation, retaliation or coercion.

SECTION 504 OF THE REHABILITATION ACT OF 1973, AS AMENDED.

Necessary measures shall be taken to comply with the provisions of Section 504 of the Rehabilitation Act of 1973. Section 504 of the Rehabilitation Act of 1973 prohibits public entities receiving federal funds from discriminating against or excluding qualified individuals with disabilities from programs, services, or activities on the basis of disability. Under Section 504, the school district has the responsibility to identify, evaluate, and if the student is determined eligible provide appropriate, specialized educational services.

- a. Students with disabilities shall be provided equal access to programs, benefits, activities and services available to those students without disabilities, when they meet the essential eligibility requirements for receipt of those programs and services. Students shall be provided with a free appropriate public education (FAPE). To facilitate equal access, reasonable accommodations shall be provided to remove or reduce barriers that prevent student access to or participation in programs, benefits, activities or services unless doing so would impose an undue hardship on the district.
- b. Qualified individuals with disabilities who notify the district of their disability shall be provided equal access to all terms, conditions and privileges of employment whether conducted by The Board or another entity on behalf of The Board. Reasonable accommodation is available to all employees and applicants unless it will impose an undue hardship on the district as determined by the Superintendent or his/her designee. All employment decisions are based on the merits of the situation consistent with defined criteria, not the disability of the individual. Decisions regarding reasonable

accommodation shall be addressed after a documented request is made by the individual seeking the accommodation. Qualifications for an employment position held or desired shall be based on the individual's ability to perform the essential functions of the job. The Board is not required to hire or continue to employ an individual who poses a direct threat to the health or safety of the individual or others or who is unable to perform the essential functions of the job.

- c. No individual with a disability shall be denied an equal opportunity to participate in programs, services, and activities because facilities are inaccessible to, or unusable by them. Programs in existing facilities shall operate so that, when viewed in their entirety, they are readily accessible to and usable by individuals with disabilities. A new or altered facility (or the part that is new or altered) shall be readily accessible to and usable by individuals with disabilities. Both structural and nonstructural methods of achieving program accessibility shall be acceptable.
- d. For purposes of this policy, the following definitions shall be adopted.
 - 1. The definition of *qualified individual with a disability* takes two forms depending on the type of activity involved. For purposes of determining participation in services and programs offered, a person is considered qualified when meeting the essential eligibility requirements for the receipt of services or participation in programs. For purposes of employment, an individual is considered qualified if the person is able to perform the essential functions of the job with or without reasonable accommodation. A qualified person with a disability is one who:
 - a. has a physical or mental impairment that substantially limits one or more major life activities such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working, eating, sleeping, standing, lifting, bending, reading, concentrating, thinking and communication . Other examples are functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, circulatory, respiratory, endocrine, hemic, lymphatic, musculoskeletal, special sense organs and skin, genitourinary, cardiovascular, and reproductive functions.
 - b. has a record or history of such an impairment; or
 - c. is perceived or regarded as having such an impairment.
 - 2. A *reasonable accommodation* is an adaptation to a program, policy, facility or work place that allows an otherwise qualified individual with a disability to participate in a program, service, activity or perform a job unless the accommodation would impose an undue hardship on the school district. Accommodations may consist of changes in policies, practices, services and the use of auxiliary aids and services.
 - 3. An *undue hardship* is an action which requires significant difficulty or expense. An accommodation that would impose an undue hardship would be an action that is unduly costly, extensive, substantial, disruptive, or one that would fundamentally alter the nature of the program.
 - 4. The *essential functions* of the job are the fundamental job duties of the employment position the individual with a disability holds or desires. *Marginal functions* are the non-essential duties of the employment position.
 - 5. A *direct threat* is defined as a significant risk of substantial harm to the health or safety of the individual with a disability or others that cannot be eliminated or reduced by reasonable accommodation.

- 2. **INDIVIDUALS WITH DISABILITIES EDUCATION ACT (IDEA).** Necessary measures shall be taken to comply with the provisions of the Individuals with Disabilities Education Act.
