

Greetings Broward County Public Schools Preschool Families:

Recognizing the benefits of positive experiences for young children, the Broward County Public Schools Homeless Education Assistance Resource Team (HEART) is partnering with our District's Head Start/Early Intervention Services Department. More specifically, the partnership seeks to provide support to preschool students who have recently lost their homes and are currently experiencing housing instability. The intended result of this collaboration is to increase participation in quality early care and education programs, an improvement in their school readiness, and an increase in these vulnerable children's success in school and beyond. To determine eligibility criteria for support services under the provisions of the McKinney-Vento Homeless Assistance Act, please fill out our Student Housing Questionnaire (SHQ) by using this interactive flyer.

Have you experienced a loss of housing causing you and your school-aged children (Pre-Kindergarten through 12th grade) to live in a shelter, motel, vehicle, or campground, on the street, in abandoned buildings, or doubled-up with relatives or friends?

If so, your children may qualify for school stability services from the **Homeless Education Assistance Resource Team (HEART)!**

Please click on the Student Housing Questionnaire (SHQ) link below to complete a housing status questionnaire.
