

DIGITAL VIDEO TECHNOLOGY

(PROGRAM #8201400)

The Digital Video Technology pathway is for students seeking a career in the field of film and video production. Students will gain hands on experience with digital video production and editing equipment, preparing them for careers in production, camera operating, video editing, multi-media artist, and broadcast technician.

(This program is replacing TV Production Technology)

Students in this pathway will participate in the following Career Technical Student Organization(s) (CTSO). SkillsUSA

CAREER PATHWAY OPPORTUNITIES

CTE pathways offer students opportunities to continue their education after high school. Dual Enrollment pertains to students taking college courses while enrolled in high school. Articulation agreements allow students to earn college credit for CTE courses and industry certifications earned in high school.

Workplace Experience	CTE students have the opportunity to complete a pre-professional learning experience the summer after 11 th grade in their chosen field of study or career interest. www.browardschools.com/CTACE
Broward Technical Colleges	Students who have passed courses in a high school CTE program or earned an Industry Certification can apply those credits to the aligned postsecondary program. Contact a BTC Counselor for more information or follow the link to see how you can save time and money when you attend a Broward Technical College. http://www.browardtechnicalcolleges.com/articulation-agreement
Broward College	Students who complete a CTE pathway or earn an Industry Certification that aligns with Broward College's Associate of Science degree programs can earn FREE college credit. www.broward.edu/academics/cpl/pages/high-school.aspx

*Industry certifications offered may vary by school.
**Salary data collected from Indeed.com, 04/2017
