Nomination Committee was formed with Carolyn Krohn for Central Area, Debbie Espinoza for South Area and Laurie Tobin for DAC elections.

Approval of Minutes – March 14, 2018 were approved.

School Board member Robin Bartleman was in attendance. She advised the district is having a Safety & Security meeting at Plantation High School at 6 p.m.

**Topics:** Patrick J. Sipple – Director, Demographics & Student Assignments Department  
Policy 5004.1

A handout was provided. A Proposed 2019/2020 School Boundary Process Timeline.

They are looking to put out an RFP for a 5 year District Master Plan which would become a living document.

Looking at the process and timeline at a May 15<sup>th</sup> School Board Workshop.

Their department is looking for feedback and suggestions for improvement on the process. Level of service is (LOS) looked at based on the Inter Local Agreement (ILA) along with class size reduction criteria. Concerns are that the parents are not involved in the Izone process. Look at the I zone rep that is affiliated with the school versus seeking another rep.

Committee is made up of each of the sections of the policy. Parent representation needs to be added.

A conversation with parents is needed as to what works and what doesn't work. Continuation of themes between grade levels i.e. high school should carry through the theme of the middle school to maintain the student population.

The later part of April the school choice website will show those schools available for reassignment.

School Websites – Sub Committee presentation along with recommendations.

Additional recommendations:

Putting ESE, ESOL, RTI under departments. High school should have ESE Transition under Guidance.

High School should have ESE transition under guidance.
