Applying for the Initial 5-Year Professional Certificate

Step 1: Apply online to the FLDOE at www.fldoe.org/edcert. The FLDOE launched its new Educator Certification System on **November 20, 2017**. Therefore, all educators **MUST establish a new online user account** for access to the Online Licensing Service system. After you click on "*Apply or Check Status*", you will look for the purple *Apply Here* button at the bottom of the page. The *New User* sign-up will appear as shown below.

During the application process, you will be required to submit the \$75 fee. Visa and MasterCard are accepted. (This payment **MUST** be completed with the FLDOE, **NOT** through the District.)

IMPORTANT: When completing your upgrade application, be sure to list your teaching experience on the application.

Step 2: If you were asked to complete any professional education coursework, mail official transcript(s) showing completion to the FLDOE.

Step 3: Send copies of the documents you submitted to the FLDOE to the Talent Acquisition & Operations (Instructional) Department via interoffice mail (Pony) or by U.S. Postal Service to: Broward County Public Schools, Attn: TAO (Instructional), 600 SE 3rd Avenue, Fort Lauderdale, FL 33301.

Step 4: Approximately two weeks after you submit your documentation to TAO, you will receive an email notification about the status of your application.

Step 5: Within 10-12 weeks after the FLDOE is in receipt of all of the documentation needed to upgrade to the initial professional certificate, they will send you an email notifying you that your certificate has been issued and is available for you to download. The FLDOE no longer sends paper certificates.

Step 6: Provide a copy of your certificate to your school's administration and email a copy to certificationrequests@browardschools.com so your district records can be updated to reflect a certificate valid for the subsequent school year.
