^aDeVry University (DVU) in conjunction with PerkSpot on behalf of your employer is offering employees who are new or readmit DeVry students to take a DVU 3-credit-hour course for academic credit at no tuition cost. Those interested in a 4-credit-hour course may enroll. 3 credit hours would be complimentary and the student will be responsible for the tuition of the remaining credit hour. Students are responsible for all other fees and charges, including books. Learning Management System (LMS) fees will be waived for students taking only one course, but the LMS fee will be charged if a student takes additional courses. Employees must apply to DVU and be admitted and accepted as a student, meet all prerequisite and course requirements, and take the complimentary course within their first session of enrollment. The Student must complete the DeVry University Eligibility & Billing form in order to be eligible for program. Students who place at foundations level may not participate in the program until they have successfully completed their foundational prep coursework.

^sDependents who may benefit from family tuition savings include: spouse, biological child, stepchild, legally adopted child, child for whom the PerkSpot member is a court appointed guardian, child of a domestic partner, and adoptive or biological parents of the eligible PerkSpot member. Dependents are also defined as a domestic partner in a committed long-term relationship. Neither party can be legally married to other individuals.

[†]Students may participate in one DeVry-based tuition benefit program only. Those who qualify for more than one program will be presumed to accept the program with the highest reduction in by-semester cost. Students who qualify for and prefer a different tuition benefit program must confirm, in writing, the alternate program in which they wish to participate prior to starting classes at DeVry University.
