

Food Service Sick Leave Bank Guidelines

The Collective Bargaining Agreement between the School Board of Broward County, Florida (SBBC) and the Federation of Public Employees (FOPE) creates a "Sick Leave Bank" for seriously ill employees who have exhausted their sick leave.

If an employee chooses to enroll, one day of accrued sick leave will be deducted from their accrued sick leave balance. These hours will be converted into a dollar amount, which will be transferred to the existing sick bank. These funds are then available for withdrawal by eligible member of the Bank. The bank open each October for new members who wish to join.

Please note:

A sick day is not taken on a yearly basis. One day is donated in order to join the Sick Leave Bank. Thereafter, if the balance falls below the minimum balance requirement, all current members of the bank will be notified that another one day donation is required to maintain membership in the bank. If an employee opts out of the additional donation, written notification must be provided to the Employee & Labor Relations Department and will result in the termination of the employee's Sick Leave Bank membership. Otherwise, a day of sick leave will be deducted from the member's sick leave balance.

SICK LEAVE BANK REGULATIONS

The bank shall be governed by the following procedures:

Membership Requirements

Employees who have been employed full-time for at least one (1) full year, and who have sick leave accrual of ten (10) days at the time of enrollment may enroll in the Sick Leave Bank by contributing one (1) day of sick leave to the bank. At the time of the contribution, the sick leave day shall be converted to a monetary sum by multiplying the day donated times the donor's daily rate of pay when contributed.

Sick Leave Bank Committee

A committee shall be appointed by the FOPE for the purpose of administering the Sick Leave Bank. The Committee shall:

1. Maintain adequate records relative to all functions of the Bank.
2. Meet periodically, as requested by the Superintendent/designee, with a designated administrator of the county to review FOPE Sick Leave Bank records.
3. Operate the bank in accordance with rules and procedures mutually agreed to by the parties. However, the Superintendent/designee shall establish and the FOPE will comply with procedures for identifying and recording contributions to and withdrawals from the bank. The parties authorize the Committee to establish additional administrative procedures necessary for the operation of the bank.
4. Not grant more sick leave days than are available in the bank.

Withdrawal Rights and Procedures

In the event of catastrophic illness or injury of a participating bank member, a participating bank member may request sick leave days from the bank within the following limitations:

1. A withdrawal may be approved only upon the total depletion of the respective employee's accumulated sick leave and vacation leave. In addition, the affected
