

Education Support Professionals Student Teaching Leave

Article 15, Section (N) of the Broward Teachers Union – Education Support Professionals (BTU-ESP) Collective Bargaining Agreement approved by the School Board of Broward County, Florida in October of 2004 contains provisions to pay the single premium for health insurance coverage for Education Support Professionals while these employees complete their required student teaching assignments.

To be eligible for this benefit, the Education Support Professional must be enrolled in a state certified program. Employees taking advantage of this program are required to sign a letter of commitment to teach in Broward County public schools for two (2) years, if hired.

Please complete the following applications and promissory note then send **(no later than one month from the date that you begin the student teaching assignment)** to:

**The Leaves Department
7770 West Oakland Park Boulevard
Sunrise, FL 33351**

If you have any **questions regarding eligibility**, please **contact us at:**
