The Dragon Daily

STRANAHAN HIGH SCHOOL

Welcome Back Dragons

Hello Dragons! Are you guys ready to show your dragon pride this school year? We sure so hope so because Stranahan has got a lot of stuff planned for the 2017-2018 school year. Student Government has Spirit Fridays planned EVERY Friday to help us get pumped up for all the football games this season! Make sure to come out and support our players on Fridays both on campus and on the field. The second week of school, SGA will be hosting an Encouragement Week planned to get everyone ready to crush their aca-

demic coursework and make some new friends! Speaking of new friends, its that time

The Front Entrance of Stranahan High School

of year again... It is time to figure out what clubs, sports and organizations you want to be apart of this year. Now

is the time, you do not want to miss out on the first meetings. There are interest meetings scheduled as soon as the activity busses start up again! We will keep you posted on everything happening at Stranahan this year so make sure you are subscribed to the monthly newsletter and listen to the daily announcements that can also be found on the school website. We hope you had a great summer and are ready for all of the events and activities planned for this 2017-2018 school year.

What You Missed This Summer

This past summer the Medical Magnet students participated in Summer Science Research where they were able to explore the diverse species at West Lake Park and engage in medical activities such as; pipetting, researching emerging pathogens and micro plastics and how public...

health needs assistance, as well as being trained in maritime professionalism. The students also participated in a clean up and debris analysis of Hollywood North Beach Park to aid in the beautifying of their community. The students took a trip to Bahia Mar where they observed boats, and

later competed with their own boats they created

in boat races at school.

These future innovators also created Apps in Medicine, Robots for the school's Robotics Club, and were involved in the 2017 Summer Science Research Program colloquium and A Biomedical Research Program conservation.

AUGUST 2017

-  } Volleyball Home Game
-  } Spirit Fridays (Wear Orange and Blue)
-  } Early Release
-  } Interim report
-  } Periods 1-7
-  } Periods 1-4
-  } Periods 5-8

Fall Sports are Just Around the Corner

Interested in playing a sport this fall? Now is your chance to be a part of a team! Interested students need a fall sports packet, filled with documents that need to be filled out by parents. A physical also must be completed. Proof of the physical is required, and can be shown by having the document stamped and signed by the doctor.

Swimming will be postponed until the completion of the pool

These packets are available on our school website, which is new and improved: Stranahan.browardschools.com, or through Coach Harrison. If interested speak to the corresponding coach as soon as possible so they could give you more information. Don't miss out on being apart of a team!

Cross Country- Coach Fiore

Girls Volleyball- Coach Sheets

Football- Coach Adams
