Assignments will be given to class in conjunction with the instructor's lessons and may or may not include:

Tests & Quizzes
Small projects

Quizzes: Quizzes will be scheduled to monitor student progress throughout the semester. All scheduled quizzes will be announced up to one week in advance. There may also be unannounced quizzes given throughout the semester.

Tests: Assessments will be administered at the end of each selection and/or major unit of study. Students will be notified a minimum of one week in advance.

Classwork/Homework and Late Work Policy: Students are expected to review and adhere to Policy 6000.1- Student Progression Plan in the Student Code of Conduct.

Classwork and Homework is due on the date assigned by the teacher, at the **beginning** of class. Work that is not handed in at the **beginning** of class will be considered *late*. If you are found to be working on an assignment during class that was due at the

beginning of that class period, it's acceptance is solely at the discretion of the instructor. Late work will not be accepted for full credit. Papers turned in without a name will be disposed of, so make sure all work is labeled clearly with your name.

Classwork and homework must be completed in blue or black ink or pencil. Work written in red, purple, pink, or other colors that are not the above mentioned will not be accepted.

Binder checks may be conducted periodically, and may be unannounced.

Students who are absent are required to inquire about and complete any missed classwork and assignments. It is not the teacher's responsibility to seek the student for missed work.

Students with excused absences are allowed two days to complete work assigned that day for full credit. If the assignment has already been reviewed and passed back, and **the student has exceeded his or her two days**, the assignment will not be eligible for full credit and may not be accepted at all as per the instructor.

Students absent on a day an assignment is due **MUST** submit all work immediately upon return. It is the students' responsibility to find out about work that they missed so it can be completed.

Weighting of Assignments:

Classwork → 15%
Homework → 10%
Quizzes → 25%
Tests/Projects → 50%

Grading Scale:

A (90-100)
B+ (87-89)
B (80-86)
C+ (77-79)
C (70-76)
D+ (67-69)
D (60-66)
F (59 and below)

Academic Honesty:

As a student of Piper High School I vow not to plagiarize and never to give or receive assistance on assessments. I understand that if I am found doing so, I will receive a zero on the assignment.

Attendance:

All students will follow the guidelines set forth by Broward County Public Schools, the Code of Student Conduct Handbook, and Piper's attendance policy.

Excessive absences will be documented as they attribute to academic decline.

Tardiness will not be tolerated. Excessive tardiness will result in a referral to administration.

Cell phones:

Prior to entering the classroom, students must turn their cell phones and other electronic devices off to avoid unnecessary classroom disruptions. The classroom is an electronic free zone, unless electronics are permitted for educational purposes.

Phones should not be on a student's desk, in a student's hand, or in a student's lap under the desk. Students who **repeatedly** have their phone out and use it when they are not permitted to do so will get **a call home and a detention.**
