“EXCELLENCE THROUGH CARING”

OCTOBER 2017 EDITION

## Principal's Message

**Thomas J. Schroeder**  
Principal

**Vicki Flournoy**  
Assistant Principal

Our mission at Margate Elementary School is to create a nurturing environment so that our students will become independent, successful, life-long learners by providing a high quality, differentiated, and innovative curriculum based on the Sunshine State Standards.

**6300 NW 18th Street**

Hello Margate Panthers,

It is hard to believe that we are embarking on our second month of school. We thank our parents and community members for all your tremendous support during the start of this school year. Our hearts go out to all those affected by the recent Hurricanes. Thank you to Ms. Pagley who has coordinated a Key for the Keys fundraiser to support those affected by Hurricane Irma. All proceeds will go to hurricane relief.

All school-wide operations are in full swing. We welcome two new teachers to our Margate family: Mrs. Dawn Kamensky, who will be teaching a Kindergarten/First Grade Classroom and Ms. Alexis Baxter, who will be teaching a second grade classroom. We know that both of these amazing educators will help our school attain success. Our car line has improved in both the morning and the afternoon. Please help us support your child's education by having them come to school on time and attend school each day. Excessive tardies and absences reduce a child's opportunity for success. Research shows that regular attendance has a direct impact on your child's achievement. Our day begins at 7:50 a.m. and students should be in the classroom prior to the 8:00 a.m. bell. As we discussed at open house, early sign-outs are no longer permitted past 1:00 p.m. This is to help preserve and protect the educational experiences for our students.

There are many exciting events on the horizon this month. Our school will celebrate Down Syndrome Awareness Month. We are excited to

host our first Family University on October 12<sup>th</sup> at 6:30 p.m. The topic for this family university will center on Mathematics Instruction and hands on strategies for helping your children with the math standards. We invite all of our parents to our Thirteenth Annual Storybook Parade being held on Friday, October 27, 2017 at 8:20 a.m. . Students will be allowed to come to school in a costume depicting one of their favorite storybook characters. All classes will then participate in a parade around the school to proudly show the variety of cherished literary characters contained within the pages of our books. Please help your child create a costume that will help transform them into a memorable character and make reading come alive. . Our annual Fall Festival will take place on Friday, October 27, 2017 at 6:00 p.m. Our PTA and staff are planning incredible games for the entire family along with Trunk and Treat in the back of the school.

Responsibility is our character trait for the month of October. At our school, the development of student responsibility is nurtured daily. Responsibility entails setting one's own purposes and ensuring that these goals we create are brought to reality. Organizational tools such as our Daily Planner, Margate Blue Folder, school-wide Reading and math logs, and homework assist our students in exhibiting responsible behaviors.

Have an amazing month!

## **Positive Affirmations and Margate's Top Racers**

Most certainly, we can help our kids with instilling good values, confidence, focus and belief. Positive affirmations for children can do a lot to assist them in developing healthy self esteem. Here at Margate we believe this to be true and have implemented "Daily Positive Affirmations". Those students caught having a positive attitude and showing confidence and determination are being picked to be "Margate's Top Racer". This comes from the belief that young kids, just like adults, love to hear positive statements about themselves, especially when spoken aloud by people whom they love and respect.

**As a parent, you are your children's most influential role model.** Your behaviors and words can empower our kids or disempower them. Teach your children the power of positive self-talk by doing it yourself, in their presence.

Positive affirmations for kids will help your children overcome fears and be more confident. It will influence their outlook, behavior and results.

Here are some examples:

1. I am great.
2. I am a good friend.
3. I am a fast learner.
4. I am full of good ideas.
5. I'm a good listener.
6. I am good at... (here, you can customize the affirmation to your child's needs).
7. I always do my best.
8. I believe in me.
9. I am kind to other people
10. I can do anything I put my mind to.

**We all tend to believe what other people say about us more so than what we say about ourselves and kids are no exception!** You could say, "My beautiful child, as you drift off to sleep, know that I love you. You are perfect just the way you are. You are healthy. You are strong. You are such a good friend! You are kind. You love learning. You are happy.
