College & Career Planning Using Naviance

Naviance Student makes it easier than ever for your student to answer the questions that will shape their future: Who am I? What do I want to be? How will I get there? How will I succeed? Naviance Student is a mobile-responsive site, for both students and parents that employs intuitive tools that personalize and simplify the college and career planning process.

Middle & High School Only

Financial Aid 101

Students and Families will get familiar with the different financial aid opportunities that are available and know how to access them. Scholarships, Grants, Work Study, Loans and the Free Application for Federal Student Aid (FAFSA) will be discussed

High School Only

Developing Soft Skills

Children learn by imitation, and parents who display these virtues or 'soft skills' in their day-to-day behavior provide an environment where children can learn. They grow up to be caring, committed, efficient and effective human beings. We will be helping families develop skills that enable children to interact effectively and harmoniously with other people.
