Administration

Wow! We only have a full month of school left for the 2018-19 school year. Summer vacation is right around the corner. Where has the time gone? Parents, please make sure you carve out a time for your child(ren) to engage in academics during the vacation. Reading for 10 to 20 minutes should be a daily routine. The Florida Standards Assessment (FSA) (Gr. 3,4,5) and the Primary Reading and Mathematics End of Year Assessments (Gr. 1 & 2) are scheduled for the month of May. Make sure the students eat a healthy breakfast and arrive to school on time. Good luck to all the student participants! Please stay abreast of all other upcoming events by reading the section below entitled "Important Dates".

Guidance Counselor

Dear Families,

This month 1st -5th grade students will be taking grade level standardized testing. Let's work together and make your child's experience a positive and successful one! We've been preparing at school. Here are some suggestions you can do to help everyday:

- ✓ Ensure your child arrives at school on time.
- ✓ Have your child eat a healthy breakfast at home or at school.
- ✓ Ensure your child gets a good night's sleep.
- ✓ Gently encourage them to do their best.

And here's another way we can work together: Take a quick moment to write an encouraging note to your child and slip it into your child's backpack, pencil case or lunch box. This is a great way to help ease their pretesting jitters and set them up for success.

Kids and mobile devices can be a scary mix. Whether your toddler is just starting to use your family tablet or your teen has a new smartphone of his/her own, check out the wide variety of apps and software – free and paid – that you can use to monitor and limit his/her mobile activity. If you would like to allow your kids to have some privacy and independence online, but worry about things like cyberbullying or too much screen time, these apps may help. Remember, new social media apps pop up all the time, so educate your kids about social media safety and “digital citizenship” from an early age.
