(5) OTHER PERSONAL INFORMATION.—

(a)1.a. The Legislature acknowledges that the social security number was never intended to be used for business purposes but was intended to be used solely for the administration of the federal Social Security System. The Legislature is further aware that over time this unique numeric identifier has been used extensively for identity verification purposes and other legitimate consensual purposes.

b. The Legislature recognizes that the social security number can be used as a tool to perpetuate fraud against an individual and to acquire sensitive personal, financial, medical, and familial information, the release of which could cause great financial or personal harm to an individual.

c. The Legislature intends to monitor the use of social security numbers held by agencies in order to maintain a balanced public policy.

2.a. An agency may not collect an individual's social security number unless the agency has stated in writing the purpose for its collection and unless it is:

(I) Specifically authorized by law to do so; or

(II) Imperative for the performance of that agency's duties and responsibilities as prescribed by law.

b. An agency shall identify in writing the specific federal or state law governing the collection, use, or release of social security numbers for each purpose for which the agency collects the social security number, including any authorized exceptions that apply to such collection, use, or release. Each agency shall ensure that the collection, use, or release of social security numbers complies with the specific applicable federal or state law.

c. Social security numbers collected by an agency may not be used by that agency for any purpose other than the purpose

provided in the written statement.

3. An agency collecting an individual's social security number shall provide that individual with a copy of the written statement required in subparagraph 2. The written statement also shall state whether collection of the individual's social security number is authorized or mandatory under federal or state law.

4. Each agency shall review whether its collection of social security numbers is in compliance with subparagraph 2. If the agency determines that collection of a social security number is not in compliance with subparagraph 2., the agency shall immediately discontinue the collection of social security numbers for that purpose.

5. Social security numbers held by an agency are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.
