Secondary students can choose from multiple Applied Learning electives:

- Debate
- Music/Performing Arts
- Visual Arts
- Team Sports/Weight Training
- STEM+Computer Science
- Others (Creative Writing, TV Production, etc.)

Applied Learning strives to provide students with opportunities in **engaging** activities that will generate **interest**, spark **passion**, increase the application of **skills** and **knowledge**, and facilitate **communities** that cultivate **productive, civically-minded** members of society.

Academic Enrichment

Goal: Preview content to be seen next school year to be better prepared for the start of the year!

Math

English Language
Arts

Science

Social Studies

Course Credit Recovery

In cases where students need to recovery credits to be promoted or to graduate we will have face-to-face options for :

- Middle School Content courses
- Algebra
- Geometry
- Biology
- Chemistry
- US History
- World History
- ELA 9 – 12

All other courses will have the option to be recovered via a facilitated computer lab where Edmentum (course recovery software) will be utilized.

Additional District Opportunities for Course Credit Recovery

Course recovery is also available through:

- **BCPS Community Schools** co-enroll program and
- **Broward Virtual School**

- Students that successfully complete the course recovery sessions will be awarded credit for the course, which can be used for grade forgiveness and graduation.
- Please visit their respective website below for more information
- Broward Virtual School - <https://tinyurl.com/BVSsummer>
- BCPS Community School Co-Enroll - <https://tinyurl.com/BCPScoenroll>

After School Enrichment Programs for Middle Schools and Community Partner Opportunities

Some Middle school providers are offering camp after the summer experience day. These programs are funded by the Children's Services Council.

To find more information click on the link below:

<https://www.browardschools.com/Page/60962>

Programs will also be provided by:

- Boys and Girls Club of Broward County
- YMCA of South Florida
- United Way of Broward
- Cities and Communities
- Privately Operated Daycares
- Privately Owned Camps

For additional information, please reach out to 211-Broward.

Q & A

Summer Learning Experiences for Students with Disabilities

- Students will receive support from an ESE Teacher or Support Facilitator, as needed.
- Students' accommodations will be provided in order to have access to the curriculum.
- Secondary students will enroll in credit recovery courses, as needed, and enrichment/elective courses.
- Additional support will be provided as needed by school and district staff.

Extended School Year 2021

- Extended School Year (ESY) is offered to SWDs as part of the Individuals with Disabilities Education Act (IDEA).
- Eligibility for ESY is an IEP committee decision and must be documented on the IEP annually.
- SWDs receive services based on their IEP and instruction focuses on specific IEP goals.
- ESY services may include academic instruction, related services, OT/PT/SLP services, behavior support, transition services and other services as highlighted by the IEP team.

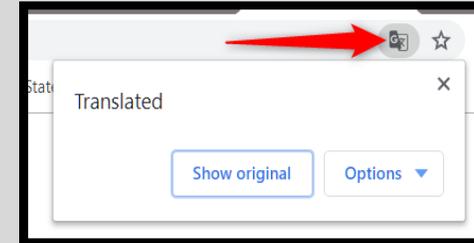

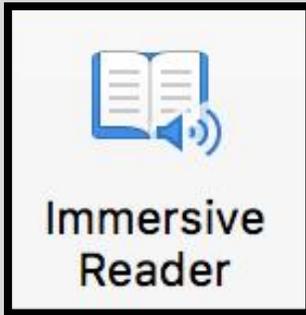

Extended School Year 2021

- "By the Sea" Unique Learning System for students on ACCESS points.
- 4 hours of daily in-person instruction and services focusing on IEP Goals through a Canvas course platform.
- Provision of related services such as Speech and Language, OT, PT, nursing, counseling and behavior support.
- On the job support for students in deferment programs at select high schools and technical colleges.
- In home support and services are available for our students enrolled in hospital homebound.

Free Resources for Students & Families

<https://browardschools.instructure.com/enroll/WDB374>

1. Inner Explorer
2. ReThink Ed Activities for Adults and Families
3. LOTS more!

Important Information

- Students will need access to laptops for the summer experience and Reading Academy
 - More information will be coming from each school
- Movement Activities
- Transportation
- Safety and security
- For more information regarding the summer experience go to the link below:

<https://www.browardschools.com/summer2021>

Personal Protective Equipment (PPE)

Face Coverings – REQUIRED (Mask Policy Remains in Effect)

Students and staff are required to wear face coverings AT ALL TIMES while in District buildings. Parents must provide face coverings for their child each day. If a student loses or damages their face covering during the school day, a disposable mask will be provided. This is in accordance with the District's Face Covering Policy.

All BCPS classrooms have been stocked with necessary items to protect students and staff against COVID-19. The following items are available for staff and/or student use:

- Hand sanitizer
- Gloves
- 3-ply face coverings
- Disinfecting wipes

Specialized PPE for staff who work with special needs students has been provided:

- Reusable face shields
- Protective gowns
- Clear communicator masks
- Portable clear barriers

School Security and Physical Distancing

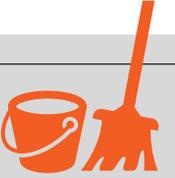

School Security

- A Safe School Officer will be present at every school
- School-based Security staff will also be on campus

Physical Distancing

- 3 feet or greater should be adhered to where possible (6 feet is preferred)

Cleaning Procedures

Daily Electrostatic Spraying

All BCPS Facilities are equipped with Electrostatic Sprayers. Facilities Service Persons perform daily electrostatic spraying in high traffic areas including: Restrooms, Front office(s), Cafeteria, Media Center, Clinic, Isolation Room, Gymnasium, Locker rooms, Weight rooms, student entries, single-point of entry, etc.

Increased Routine Cleaning

All BCPS Facility Service Persons are trained on effective methods for cleaning and disinfecting schools to help fight the spread of viruses and other harmful bacteria. Facilities Service Persons check common areas throughout the day to conduct touch-point cleaning and do thorough cleaning/disinfecting once students leave for the day.

Emergency Cleaning

In the event of a confirmed case of COVID-19 in a BCPS facility, the facility will temporarily close to allow for emergency cleaning. A third-party service has been retained to assist with this cleaning as needed.

Classroom Cleaning Supplies

All classrooms have been supplied CleanCide/Lysol disinfecting wipes to allow for additional intermittent cleaning as needed or desired.

IDS - Ion Defense Sprayer with cart setup

IDS Ion Defense Sprayer with Backpack setup

Important Information

- Meals - Breakfast and Grab-and-Go lunch
- BCPS will provide curbside Grab-and-Go meals for all children 18 years and younger at 53 school sites every Tuesday starting on June 15th
- Visit <https://www.browardschools.com/food-service> for available sites and serving times
