AchieveWorks Bundle:

Do What You Are® 2.0

Overview

The Do What You Are® assessment uses personality types to suggest careers and clusters that might be a good match for a student.

During the assessment, students can stop and save their progress. The results of the assessment provide students with a four-part personality type. Each of the four parts represents a personality trait that contributes to the student's overall personality type. The results page has detailed information about the student's personality type and potential careers and majors for the student to consider. [View more information about the potential outcomes of the Do What You Are assessment.](#)

This assessment is recommended for **high school students (9th to 12th grade)** but can be used effectively with 8th graders.

The Learning Style Inventory™ 2.0

Overview

The Learning Style Inventory assessment allows students to boost academic potential by recognizing their natural learning style, discover better learning strategies, and gain career development skills. Career Interest Profiler

The Career Interest Profiler is an online career interest assessment for students based on Holland's interest codes. When students complete the Career Interest Profiler, their results will display their top Holland Code matches.

Facts about the Career Interest Profiler:

- There are 30 questions for each Holland code (Realistic, Investigative, Artistic, Social, Enterprising, and Conventional) for a total of 180 questions.
- The highest score possible in each area that you can receive is 30.
- The score received is based on the number of activities in each specific area that the student selected as an interest.

Students can access the Career Interest Profiler by logging into Family Connection and going to **Careers > Career Interest Profiler** or **About Me > My Assessments**

Note: This assessment is only recommended for high school students.

Career Cluster Finder

The Career Cluster Finder is an online questionnaire that helps students discover career clusters that are most interesting to them. Once a student completes the Career Cluster Finder, top matching career clusters are made available for review. Students can re-take the cluster finder at any time.

The Career Cluster Finder is enabled when the Career Search is enabled for Family Connection.

Students can access the Career Cluster Finder by logging into Family Connection and going to **Careers > Cluster Finder**.

To re-take the Career Cluster Finder, students can click the **Start-Over from the Beginning** button.

Note: This assessment is recommended for middle school and high school students.
