2018/19  
School Year

**ATTENTION North Side Elementary Parents:**

Your child's assigned school, North Side Elementary, received a Florida Standards Assessment Test (FSA) letter grade of D or lower for 3 consecutive years. As a result, your child may be eligible to attend another elementary school under Florida's Opportunity Scholarship Program (OSP).

You have the following OSP assignment options for your child:

- Your child may attend **North Side Elementary**
- Your child may choose to attend **Thurgood Marshall Elementary, Bennett Elementary, or Croissant Park Elementary** for the remaining elementary school years. Transportation will be provided if your child lives in the school boundary for North Side Elementary and is more than two miles from the identified OSP school.

**It is up to you!**

Please be sure to consider all services provided at each school for before and after care, parent support and other considerations that may impact the greater needs of your family.

**To apply, please submit the one page application form included in this packet by August 27, 2018.**

If you select to attend another school, a letter notifying you of your child's assignment for the 2018/19 school year will be emailed once your application has processed.

Upon receipt of the acceptance letter, go to the school identified in the letter and register your child for the 2018/19 school year by the deadline date in your acceptance letter.

If you have any additional questions regarding your choices or need assistance with this application, please contact the Demographics & Student Assignments Department at 754-321-2480.
