The
33rd Annual
Scholar-Athlete
Banquets
2019-2020

A Message from the Superintendent

Although our physical campuses are closed due to COVID-19, learning never stops, nor does our desire to recognize and celebrate members of the Class of 2020. While the world focuses on the best way to attack the coronavirus pandemic, we've had to reinvent our public education system to respond to the challenges created by the society-wide disruptions and social distancing restrictions. With our dedicated personnel, coaches, principals, teachers, staff, sponsors, and some community members, we are proud to come together to recognize our student-athletes as we navigate this unprecedented crisis. On behalf of Broward County Public Schools, I'd like to virtually welcome you to tonight's 33rd Annual Scholar-Athlete banquet.

A scholar-athlete not only values their academic and athletic success, but also the success of his or her community. Tonight, we celebrate the achievements of all of our scholar-athletes and recognize that many of them were affected by this unfortunate pandemic. We acknowledge that many of their seasons were cut short or altogether halted, and we commend their patience and ongoing optimism as we maintain our nation's social distancing requirement. We also want to recognize and thank our valued sponsors for their continued support of high school athletics as they continue to tread the unfamiliar waters with our Broward County Public Schools and the Broward County Athletic Association.

Through the education received at Broward County Public Schools, all students graduating from high school are prepared to succeed in life and the business world. Participation in athletics further prepares students by teaching them important lifelong skills including self-esteem, self-discipline, motivation, leadership, character development, and sportsmanship. Every year, millions of dollars in athletic scholarships are awarded to our student athletes. This proves that participating in athletics is an educational investment.

The Scholar-Athlete Program is made possible because of the generous support of public and private sponsors throughout Broward County. Over \$60,000 in scholarship awards will be presented this evening to select scholar-athletes. Our scholarship sponsors include Barwis Methods, Kreul Classic, BSN Sports, Memorial Healthcare System [U18] Sports Medicine, Miami Dolphins Foundation, Dr. Al DeSimone's Charity for Champions, Chris Hixon Athletic Scholars Fund, M-F Athletics, Broward County Basketball Officials Association, Gold Coast Junior Golf Foundation, and Junior Golf Association of Broward County. Once again, I want to thank all of our valued sponsors who assisted in making our Scholar-Athlete Programs possible, especially during these unprecedented times. Our scholar-athletes have the potential to be the leaders of tomorrow and their dreams will be reached because of your unending support.

Congratulations Class of 2020! You earned this and deserve to be celebrated this evening. Enjoy.

Sincerely,

CLOSING REMARKS

Mr. Shawn Cerra, Director, Athletics & Student Activities

Al DeSimone's Charity for Champions

As a Sports Medicine physician for over 20 years, Dr. Al DeSimone has maintained an interest in the health, wellness and education of student athletes within our community.

His desire to actively support young individuals in their academic, athletic and personal achievements inspired him to found "Charity for Champions". Since 2008, his non-profit organization has awarded over 290 scholarships to outstanding young men and women to help them reach their full potential in life.

"Charity for Champions," believes in the importance of affording all youth the opportunity to excel in their academic endeavors.

The Kreul Classic, a non-profit 501(c)3 charitable organization, is one of the premier national high school basketball tournaments in the country. Since 1989, we have hosted the finest teams and most coveted college recruits from across the nation enabling Broward's best programs and players to showcase their hardwood skills in a national spotlight.

However, our work is not limited to the basketball court. Education is a core component of the Kreul philosophy, and along with our partners in education, **Publix Super Markets** and **AF Best Securities Foundation, Inc.**, this year, our volunteer-administered efforts will proudly yield our **100th four-year academic tuition scholarship** to Florida Atlantic University.

It is exciting to once again be a part of the BCAA Scholar-Athlete Awards to assist more fine students with the opportunity to pursue their dreams through a post-secondary education.

BCAA North County Coach of the Year

By Dave Brousseau, BCAA Writer

Not since 1992 had a Blanche Ely girls basketball team won a state championship.

So, when Henry McNabb was named to coach the team entering the 2019-20 season, expectations were high, a state title would be a sure thing.

After back-to-back state titles the previous two season at Somerset Prep, McNabb delivered, as the Tigers won the Class 6A state title following a 51-36 victory over Wekiva.

McNabb has been named the BCAA North County Coach of the Year.

He also became the third girls' basketball coach from Broward to win at least three straight state championships, joining Marcia Pinder (Dillard) and Abby Ward (South Broward).

The high expectations were rightfully dropped in McNabb's lap with the handful of talent on the Tigers roster to start the 2019-20 season.

Returning was high scoring junior Ja'Leah Williams along with the majority of the previous seasons roster. Joining the Tigers from the championship Somerset Prep team were Michiyah Simmons, Mya Kone and Zaria Blake.

Despite the pressure, McNabb found the balance to finish with a 28-6 record that included multiple victories over district rivals Dillard, Nova and St. Thomas Aquinas.

With all the key starters returning next season, McNabb will face the challenge of another state title run.

BCAA South County Co-Coach of the Year

By Dave Brousseau, BCAA Writer

This was a clear example of the unexpected.

When Alen Hardy took over as coach for the Western High boys' basketball team the future success of the program was uncertain.

Hardy had replaced former coach Kenneth Kelly following a 19-10 season, to become an assistant at American Heritage.

Success was closer than most would have thought.

Hardy guided the Wildcats to an 18-8 season, a berth into the BCAA Big 8 tournament and for the first time in school history a berth into the regional finals.

Hardy has been named the BCAA South County Co-coach of the Year.

He was also the Sun Sentinel Coach of the Year in 2020.

The success of the Wildcats 201-9-20 season nearly went beyond all expectations falling short of a state semifinal berth for the first time in school history.

Western took eventual Class 7A state champion Miramar to the edge of defeat before falling 37-35. It was also the Wildcats first regional final appearance.

Western won the District 13-7A title with a 56-53 victory over Cypress Bay. It was their first such title since 2014.

They had lost to the Lightning in a regional semifinal the previous year.

The district title was followed with a 65-51 victory over Miami Columbus in a regional quarterfinal and 61-51 win over Miami High in a regional semifinal.

BCAA South County Coach of the Year

By Dave Brousseau, BCAA Writer

The goal is always to get there and win a state championship. At the start of the 2019-20 high school boys' basketball season, Miramar High was one of many with the same dream.

Under coach Tramaine Stevens, those dreams finally came true as the Patriots won the first boys basketball title in the schools 49-year history with a 66-51 victory over Seminole in a Class 7A title game at the RP Funding Center in early March.

For that achievement Stevens has been named the BCAA South County Co-Coach of the Year.

For that achievement Stevens has been named the BCAA South County Co-Coach of the Year.

Stevens, who just completed his fifth season as the Patriots coach was also named the 2020 Class 7A Florida Dairy Farmers Boys Basketball Coach of the Year.

The Patriots were led by forward Deshawn Jean-Charles 25 points to lead Miramar in state final game.

Stevens had led Miramar to the 2018 state semifinal before falling to Wellington. The Patriots found the way to the 2020 final following at 59-55 in overtime victory over Oak Ridge.

Steven and Miramar finished the season 24-6, while winning 13 of their final 14 games, including the last seven.

Stevens has a career record of 102-41 at Miramar after taking over the program in 2015.
