

IMPORTANT REMINDERS FOR STUDENTS WITH HEALTH CONDITIONS

1

Complete the Student Emergency Contact Card at the start of every school year AND as changes occur

- Check "Yes" to consent to receiving care for minor illness and injury in the school clinic
- Check all health conditions that are current and have been diagnosed by a healthcare provider

2

Complete and sign a Health Condition Review Form located at www.browardschools.com/CSHS

- This form helps the school understand your child's health condition and what may be needed during the school day

3

Bring supporting document(s) from a health care provider to your child's school

- Acceptable documents include: Medication Authorization form, Diabetes Medical Management Plan, School Entry Health Exam form, **OR** Healthcare Provider note/letter on letterhead including signature, provider stamp, date, and diagnosis

4

If your child needs medication while in school, have your child's healthcare provider complete a Medication Authorization Form or Diabetes Medical Management Plan located at www.browardschools.com/CSHS

- Bring all signed forms, medication, and supplies to your child's school nurse or designated school staff

5

Ask your child's school for the best time to drop off medications and/or talk about your child's healthcare plan
