## **Pop-Up Blockers**

For SAP to work best on the web, you need to allow pop-ups to work on Broward's SAP site.

## For PCs:

- In Internet Explorer choose Tools > Pop-up Blocker > Popup Blocker Settings.
- In the field "Address of Web site to allow" type broward.k12.fl.us and then click "Add." It should add the site in the "Allowed sites" list below.
- 3. Close the Settings box by clicking the "Close" button and you are finished.
