STUDENT SUPPORT INITIATIVES & RECOVERY AND EQUITY & DIVERSITY DEPARTMENT

presents:

Youth Forum on Mindfulness & Mental Health

Friday, October 30, 2020
(Via Microsoft TEAMS) 1:15 p.m. Series II

The purpose of the YVM Youth Forum Series is to provide students the opportunity to safely engage in conversations with their peers and adults on a variety of topics that resonate with them. In addition, we aim to connect students with community leaders and professionals who can share their experiences, knowledge, and areas of expertise with the students and hopefully provide them with the guidance and support they need. It has become evident, from discussions with students and a review of social medial postings, that our students have questions and want responsible engagement to help them sort through the issues they face. The Young Voices Matter Youth Forum is designed to address student concerns in a platform that is student driven and accessible to all students. Currently, all YVM Forum activities are being provided through Microsoft Teams.

We encourage all students to participate in the Youth Forums as attendees or participants. To join us for this month’s youth forum, please use the link provided below to register:
