SPOTLIGHT ON SCEP: LANIER JAMES EDUCATION CENTER

Students at Lanier James Education Center are sure to benefit from all their new amenities, but none more so than the study carrels located in the media center. In a classroom full of distractions, study carrels provide a private workspace for students, allowing them to focus when studying, reading, practicing lessons, or doing assignments.

OTHER ITEMS PURCHASED INCLUDE:

Study carrels, laptops, weight room equipment, media center furniture, and a new digital marquee.

FEATURED PRIMARY RENOVATIONS

GULFSTREAM ACADEMY OF HALLANDALE K - 8

So far, contractors have completed HVAC improvements, classroom lighting upgrades, and a storefront entry structure. Next up: an upgraded media center.

CHARLES W. FLANAGAN HIGH SCHOOL

The highly anticipated 20-classroom building opened for students in January and had its ribbon cutting ceremony in Spring. The new addition features specialized classrooms for ESE, standard classrooms, as well as state of the art technology.

In addition to bathroom renovations, roofing repairs, and a new HVAC system, the Stranahan Dragons will receive a renovated media center that is sure to inspire creativity.

STRANAHAN HIGH SCHOOL

FOREST HILLS ELEMENTARY SCHOOL

The group restrooms and fire alarm system has been upgraded while media center renovations are nearly complete with only a few remaining fixtures left to install.

With buildings currently undergoing renovations, contractors are wasting no time at Lauderdale Lakes Middle. The roofing repairs are making significant progress, with over half of the roofing work already completed.

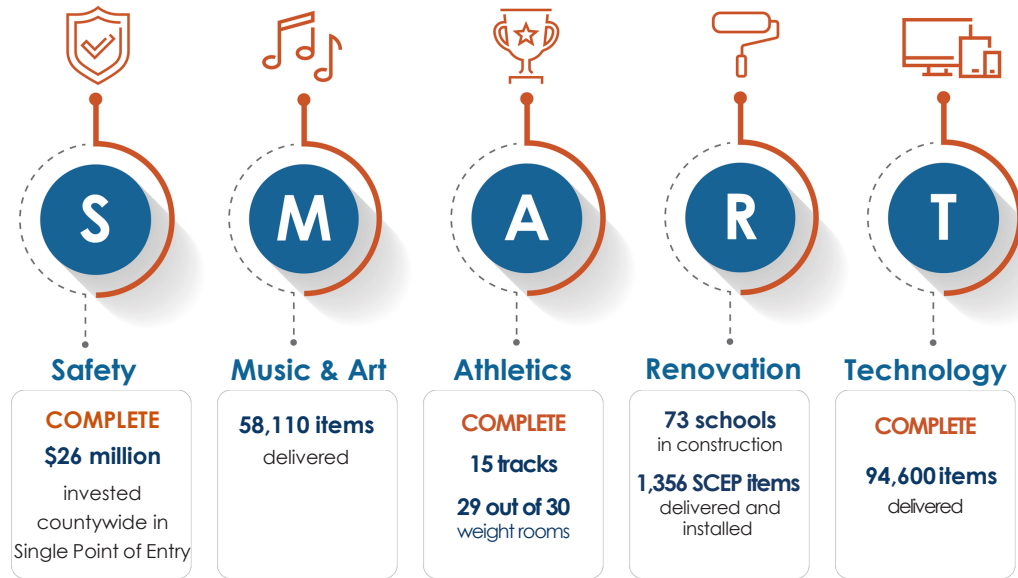

LAUDERDALE LAKES MIDDLE SCHOOL

In the midst of Covid 19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.
