### SPOTLIGHT ON SCEP: LANIER JAMES EDUCATION CENTER

Students at Lanier James Education Center are sure to benefit from all their new amenities, but none more so than the study carrels located in the media center. In a classroom full of distractions, study carrels provide a private workspace for students, allowing them to focus when studying, reading, practicing lessons, or doing assignments.

#### OTHER ITEMS PURCHASED INCLUDE:

Study carrels, laptops, weight room equipment, media center furniture, and a new digital marquee.

## FEATURED PRIMARY RENOVATIONS

### ANNABEL C. PERRY PRE K-8

Renovations are nearing completion with many of the buildings already equipped with new roofs, fire alarm upgrades, and other cosmetic enhancements.

### GULFSTREAM ACADEMY OF HALLANDALE K-8

So far, contractors have completed HVAC improvements, classroom lighting upgrades, and a storefront entry structure. Next up: an upgraded media center.

### HOLLYWOOD HILLS HIGH SCHOOL

Contractors wasted no time once they arrived on campus to begin renovations. The existing media center was immediately demolished in preparation for work to begin on the new one.

### OAKRIDGE ELEMENTARY SCHOOL

While contractors await permitting for roof repairs, they're active and onsite for HVAC component replacement and the installation of new piping and pull stations for the new fire alarm system.

### WEST HOLLYWOOD ELEMENTARY SCHOOL

Another media center upgrade is on its way! Contractors replaced all exterior windows and have since moved on to other elements of the project. Other ongoing renovations include upgrades to HVAC and fire alarm systems.

In the midst of Covid 19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.
