## SMART PROGRAM AT A GLANCE

The SMART Bond Program focuses on improving schools and the educational experience of students and faculty at 232 SMART funded Broward County Public Schools, in the overarching categories of Safety, Music & Art, Athletics, Renovation, and Technology.

### DISTRICT HIGHLIGHTS

- Construction began at Fort Lauderdale High School, James S. Rickards Middle School, Oakland Park Elementary School, and Sunrise Middle School.
- Pine Ridge Education Center's Primary Renovations projects are in closeout.

## SCHOOL CHOICE ENHANCEMENT PROGRAM

As part of the School Choice Enhancement Program (SCEP), schools are allocated \$100,000 to spend on custom improvements to their campuses and curriculums.

### SPOTLIGHT ON SCEP: NEW RIVER MIDDLE SCHOOL

Morning announcements are a great way to empower students while also broadcasting important information campus-wide. For students at New River Middle School, morning announcements just got that much better with the arrival of their new camcorder.

Students can now record their own footage to share during the morning show segment, including interviews and school events.

#### OTHER ITEMS PURCHASED INCLUDE:

Auditorium projectors, digital video board, camcorder, digital marquee, laptops, Earthwalk carts, cart wiring, desktops, and external hard drives.

## FEATURED PRIMARY RENOVATIONS

### BAYVIEW ELEMENTARY SCHOOL

From brand new installations to general improvements, roofing repairs are in progress across the campus. Contractors will be redoubling efforts to ensure enhancements are complete for when students make their return.

### FORT LAUDERDALE HIGH SCHOOL

Overhead lighting fixtures for several exterior walkways have been replaced with higher wattage lighting, while logistics for some of the heavier lifting is being coordinated to minimized disruption during regular school hours.

### MCNAB ELEMENTARY SCHOOL

Safety first! Construction areas on campus have been fenced off from students, teachers, and staff in preparation for roofing repairs, while technicians adjust the new HVAC system for optimal performance.

### NORTH SIDE ELEMENTARY SCHOOL

Contractors have gotten the ball rolling since mobilizing on campus. Preparations are being made for the HVAC, fire alarm, and roofing improvements soon to be underway.

### STRANAHAN HIGH SCHOOL

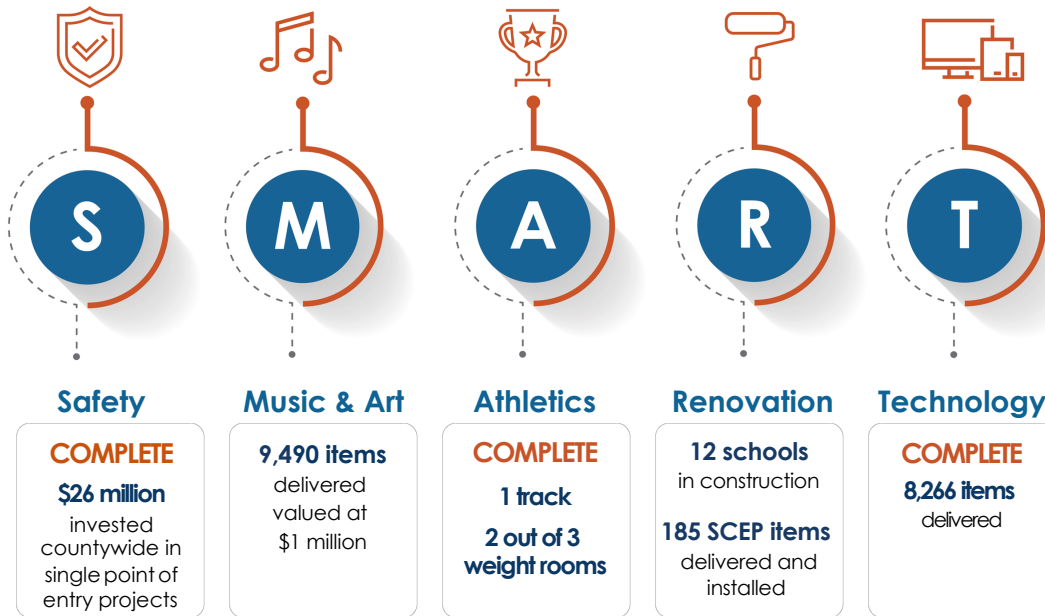

In addition to bathroom renovations, roofing repairs, and a new HVAC system, the Stranahan Dragons will receive a renovated media center that is sure to inspire creativity.

In the midst of Covid 19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.

SMART by the Numbers | **District 3**

**12 SCHOOLS  
IN CONSTRUCTION**

- Bayview Elementary School
- Bennett Elementary School
- Croissant Park Elementary School
