SPOTLIGHT ON SCEP: GATOR RUN ELEMENTARY SCHOOL

Gator Run Elementary's new media center is full of exciting new features for students to explore, but the most beneficial is the Recordex Interactive System.

The Recordex makes learning fun for students by allowing them to interact with their lessons and save their work so they can follow their progress.

OTHER ITEMS PURCHASED INCLUDE:

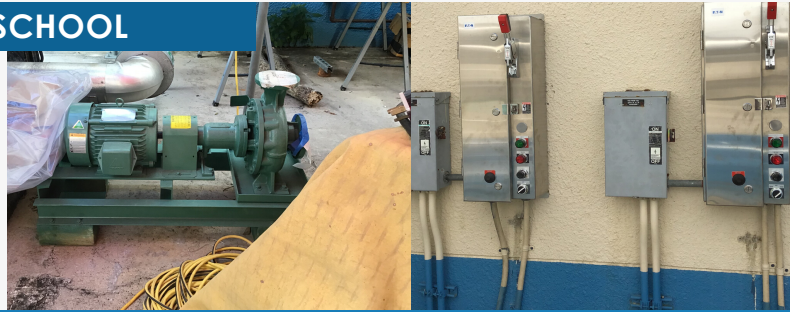

Apple iPads, Kindle Fires, media center furniture, Recordex Interactive Systems, electric door strikes, proximity pads, and chairs for teachers.

FEATURED PRIMARY RENOVATIONS

EVERGLADES ELEMENTARY SCHOOL

Circulation pumps have been replaced as part of the HVAC improvements at Everglades Elementary. Next on the agenda are roofing repairs, which contractors are currently preparing for.

GATOR RUN ELEMENTARY SCHOOL

The renovated music room at Gator Run Elementary will be outfitted with acoustic tile, sound absorbing panels, and equipment storage.

PIONEER MIDDLE SCHOOL

Things are moving at Pioneer Middle School! New metal roof decking has been placed in preparation for upcoming roofing improvements and trenches have been dug for pipes that will service the new fire sprinkler system.

SILVER RIDGE ELEMENTARY SCHOOL

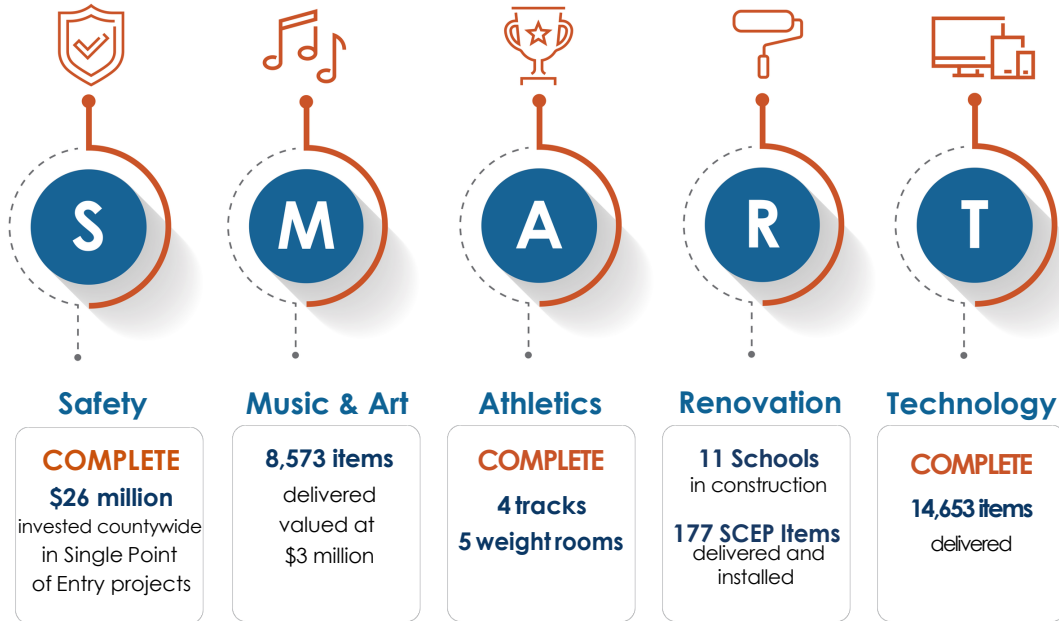

Newly renovated classrooms are complete and are ready for students once they return to campus. Work in a nearby building is also finished including the installation of a smoke detector and duct work replacement.

In the midst of Covid 19, we would like to thank our SMART Team and our contractors who have remained hard at work on our school campuses. Though we remain committed to providing BCPS students and staff with enhanced learning environments, the health and safety of our team is essential. All guidelines provided by the CDC and other health professionals are currently in place to ensure that we can continue to strive for a SMART Future under the safest possible conditions. We appreciate the support of the community as we aim to follow through with our commitments during this uncertain time.
