Each year, Florida Children’s Week displays tens of thousands of pieces of hand art throughout the Florida Capitol Rotunda to serve as a reminder to both Legislators and advocates that we must take care of our most precious commodity – our children. This year’s “Celebration of the Hands” will take place Sunday, January 26 – Friday, January 31, 2020. Schools, child care centers, and individuals from across the state are invited to submit hands to hang at the Capitol, as shown in the attached image. This amazing display of children’s art is decorated by children and their teachers, and collected at child care centers and schools across the state. The Florida Department of Education encourages you to invite your home education families to participate in this time honored tradition by submitting artwork to the below address by January 18, 2020.
