

the Sprint Foundation.

I understand student shall not use Sprint's services to damage or adversely affect any of Sprint's other customers or Sprint's reputation, networks, property, or services. Student cannot in any manner resell the services to another party. Sprint can take any action to: (1) protect Sprint's networks, Sprint's rights and interests, or the rights of others; or (2) optimize or improve the overall use of Sprint's networks and services. Student's service can be suspended or terminated at any time for any reason. For example, Sprint may suspend or terminate any Service for the following: (a) failure to have or maintain an appropriate account balance for applicable charges; (b) harassing / threatening / abusing / offending Sprint's employees or agents; (c) providing false or inaccurate information; (d) interfering with Sprint's operations; (e) using/suspicion of using services in any manner restricted by or inconsistent with the Agreement and Policies; (f) breaching, failing to follow, or abusing the Agreement or Policies; (g) modifying a Device from its manufacturer specifications (for example, rooting the device); or (h) if Sprint believe the action protects Sprint's interests, any customer's interests, or Sprint's networks.

Student's device usage, includes, but is not limited to, phone, Internet, text, pictures, video, games, graphics, music, email, applications, sound, and other materials. Some data content is available from Sprint or Sprint's vendors, while other data content can be accessed from others (for example, third party websites, games, ringers, applications, etc.). Sprint makes absolutely no guarantee about the data content accessed on student's device. Data content may be: (1) unsuitable for children/minors; (2) unreliable or inaccurate; or (3) offensive, indecent, or objectionable. Parent/student is solely responsible for evaluating the data content accessed by student or anyone else using the student's services. Data content from third parties may also harm the student's device or its software. The District and Sprint are not responsible for any data content or damaged caused by data content loaded on the student's device. Sprint may place restrictions on accessing certain data content (such as certain websites, applications, etc.); impose separate charges; limit throughput or the amount of data that student can transfer; or otherwise limit or terminate services. If Sprint provides storage for data content that student purchased, then Sprint may delete the data content without notice or place restrictions/limits on the use of storage areas. Data content stored on a device, transmitted over Sprint's networks, or stored by Sprint Forward may be deleted, modified, or damaged. Student may not be able to make or receive voice calls while using data services. Data content provided by Sprint's vendors or third parties is subject to cancellation or termination at any time without notice to student, and student may not receive a refund for any unused portion of the data content. Parent/Student acknowledges that the District and/or Sprint may employ methods, technologies, or procedures to filter or block messages. Parent/Student understands that the District will provide Children's Internet Protection Act compliant Internet filtering solution, which will be the default status for all devices that are on the Broward County School's Network or Sprint's network. The District and Sprint will not be liable for any content accessed from a device that a parent deems inappropriate.

Sprint wireless data services are provided for education-related purposes including, but not limited to, web surfing, sending and receiving email, photographs and other similar messaging activities. Sprint wireless data services may not be used: (a) to generate excessive amounts of Internet traffic through continuous, unattended streaming, downloading or uploading of videos or other files or to operate hosting services including, but not limited to, web, video surveillance, or gaming hosting; (b) to maintain continuous active network connections to the Internet such as through a web camera or machine-to-machine connections that do not involve active participation by a person; (c) to disrupt email use by others using automated or manual routines, including, but not limited to, “auto-responders” or cancel bots or other similar routines; (d) to transmit or facilitate any unsolicited or unauthorized advertising, telemarketing, promotional materials, “junk mail”, unsolicited commercial or bulk email, or fax; (e) for activities adversely affecting the ability of other people or systems to use either Sprint’s Wireless services or other parties’ Internet-based resources, including, but not limited to, “denial of service” (DoS) attacks against another network host or individual user; (f) for an activity that connects any device to personal computers (including, but not limited to, laptops), or other equipment for the purpose of transmitting wireless data over the Sprint Networks or Sprint 4G LTE Network (unless school is using a plan designated for such usage); (g) for any other reason that, in Sprint’s sole discretion, violates Sprint’s policy of providing service for individual use.

Parent/student must report a lost or stolen device to the school. If additional devices are available, the school may replace the device. Otherwise, the parent/student has the option to replace the device at a discounted cost from Sprint.

I certify that all the information on this form has been reviewed and is correct, and that I have the authority to provide this consent. I further agree to comply with the terms and conditions provided above and take responsibility and to follow the rules regulating the acceptance of this device provided by Sprint and Sprint 1Million Project Foundation, Inc. through the District.
