

# 9/16/2020 MEETING THE NEEDS OF GIFTED STUDENTS REMOTELY - WEBINAR

With national gifted speaker Dr. Brian Housand

Dr. Brian Housand is the coordinator of the Academically or Intellectually Gifted program at University of North Carolina Wilmington. He earned a Ph.D. in Educational Psychology at the University of Connecticut with an emphasis in both gifted education and instructional technology. He served two terms on the National Association for Gifted Children's Board of Directors as a Member-At-Large. Along with his wife Dr. Angela Housand and Dr. Joe Renzulli, he co-authored *Using the Schoolwide Enrichment Model with Technology*. He is also the author of *Fighting Fake News! Teaching Critical Thinking and Media Literacy in a Digital Age*. Brian has worked in education as a classroom teacher, a teacher of the gifted, and a university professor for over twenty years. Brian is a lover of technology. He proudly identifies himself as a geek. You can learn more on his website at [brianhousand.com](http://brianhousand.com) and by following him on Twitter @brianhousand.

Join the district Gifted Team and a nationally renowned gifted speaker to learn how to keep your students engaged online!

New apps and how you can use them on Teams will be shared.
