**PLEASE NOTE:** Small amounts of vegetation waste can be placed in your regular refuse container. Containers designated as a "vegetation dumpster" must contain only vegetation waste. Contaminated loads will be refused, and the school will be responsible for removing the contamination and any surcharges. Same applies to both the "METAL" and "CONSTRUCTION/DEMOLITION" dumpsters. Chemicals, tires, paint, and liquids of any kind, are not acceptable. Again, the generating location will be responsible for the removal and/or clean-up of any contamination, including any additional cost or fees. **NOTE: ALL NEW ROLLOFF DUMPSTERS ARE SUBJECT TO APPROVAL**
