SUBJECT: **SUMMARY OF 2014-15 FCAT 2.0 READING, FCAT MATH, AND NGSSS ALGEBRA 1 END OF COURSE EXAM RETAKE RESULTS**

The Florida Department of Education (FDOE) released the 2014-15 Florida Comprehensive Assessment Test 2.0 (FCAT 2.0) Reading, FCAT Mathematics, and Next Generation Sunshine State Standards Algebra 1 End of Course (EOC) Exam retake results today. This memorandum summarizes the results at the District and State levels. Broward's students, who had not previously passed the Grade 10 FCAT 2.0 Reading and FCAT Mathematics or any student not previously passing the Algebra 1 EOC tests, had an opportunity to retake the exams from March 30 to April 10, 2015. In Broward, a total of 9,404 students in grades 10 through adult retook the reading test and 73 students retook the math test. In addition, 5,693 students in grades 7 through adult retook the Algebra 1 exam. The reading test has continued to be a graduation requirement, while the

high school math test was phased out in 2010-11 and replaced with the Algebra 1 EOC exam. The results for all participating grade levels are attached. Summary results for grades 11 and 12 are highlighted in Table 1 for reading and math and for grades 10 through 12 in Table 2 for Algebra 1.

- **20% of grade 11 students in Broward successfully passed the Reading test, similar to the state at 21%.**
- **Broward's grade 12 students had a 17% passing rate in Reading, slightly lower than the 19% statewide.**
- **Broward's Algebra 1 EOC passing rate was similar to the statewide rates in grades 10 (11%) and 11 (10%).**
- **Broward's grade 12 Algebra 1 EOC passing rate (8%) was substantially lower than the statewide rate (14%).**

If you have any questions regarding this release, please contact Director Richard Baum, Student Assessment & Research at (754)321-2500. This memorandum and a school-by-school report can be accessed on the Student Assessment & Research website at <http://www.broward.k12.fl.us/sar/Releases.htm>.

* Percentage also includes the passing rate of students eligible to use an alternative passing score of 241 or above, which is equivalent to a Grade 10 FCAT Reading Score of 300.

- To provide meaningful results and to protect the privacy of individual students, no data are reported if the number of students is less than ten or if all students would be reported in the same category (e.g., the same Achievement Level). A dash (—) appears when data are suppressed.
- Percentages may not add to 100 due to rounding.
- Points earned by content area should not be compared across administrations.

• To provide meaningful results and to protect the privacy of individual students, no data are reported if the number of students is less than ten or if all students would be reported in the same category (e.g., the same Achievement Level). A dash (—) appears when data are suppressed.

• Percentages may not add to 100 due to rounding.
